LEGEND

I, James D. Grant, PLS certify:

☐ a. That the survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land.

☐ b. That the survey is located in such a portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land.

☐ c. Any one of the following:

1. That the survey is of an existing parcel or parcels of land and does not create a new street or change and existing street.
2. That the survey is of an existing building or other structure, or natural feature, such as a water course; or
3. That the survey is a control survey.

■ d. That the survey is of another category, such as the recombination of existing parcels, a court ordered survey, or other exception to the definition of subdivision.

☐ e. That the information available to the surveyor is such that the surveyor is unable to make a determination to the best of his/her professional ability as to the provisions in (a) through (d) above.
