January 31 Last Day to Redeem CVS MinuteClinic Vouchers

Please remind employees who, during Open Enrollment, selected that they were a tobacco user but agreed to participate in a tobacco cessation counseling session at a CVS MinuteClinic, **that January 31 is the last day to take action.**

If they do not take action, their premium credit will be retroactively removed from their monthly premium, which means that they will pay \$60 more for their coverage.

Given the Thursday deadline, if a member calls CVS for a replacement voucher, it most likely will NOT be delivered by Thursday.

If you have employees that do not live or work within 25 miles of a CVS MinuteClinic who have received vouchers, you will need to complete an [enrollment exception](#) for them by **January 31, 2019.**
