Medoc Mountain STATE PARK

Medoc Mountain State Park
1541 Medoc State Park Road
Hollister, NC 27844
252-586-6588
medoc.mountain@ncparks.gov
GPS: 36.263900, -77.888300

Fun Facts

- The park was established in 1973
- It is made of biotite granite
- The park sits on a fall line
- The steep slopes drop 160 feet in less than ¼ mile.
- Little Fishing Creek is one of the cleanest streams in the state
- Before it was a park, Medoc Mountain was used to cultivate grapes
- Contains two state registered natural heritage areas – Medoc Mountain Registered Natural Heritage Area and Little Fishing Creek Bluffs Registered Natural Heritage Area

Medoc Mountain is the supposed home of Bigfoot!

Cryptozoologists have studied the park for evidence.

Activities

Located in the east near Hollister, N.C., Medoc Mountain is the remnant of a mighty mountain range from the Paleozoic Age, 350 million years ago. Instead of a typical "mountain" adventure, visitors can enjoy picnicking and recreational activities in the park's open meadow and fishing for sunfish, bass and pickerel.

Experience the Park!

6 BRIDLE TRAILS

10 MILES OF HIKING

Home to the rare **Neuse River Waterdog** a large salamander only found in the Neuse and Tar river systems.
