Celebrate the Holidays Safely
Take steps to prevent the spread of COVID-19.

PRACTICE THE 3 WS

**WEAR** a mask over your nose and mouth

**WAIT** 6 feet apart

**WASH** your hands

Avoid holiday travel and limit physical contact with people who do not live with you.

If you choose to travel or gather with people who live outside of your household, follow these recommendations.

- Get tested for COVID-19 three to four days before traveling or attending gatherings.
- Live together? Sit together. If not, stay 6 feet apart.
- Do not host or attend a gathering if you’ve been exposed to COVID-19 or have symptoms.
- Use single-serve options or have one person serve food so that multiple people are not handling items.
- Guests who are high risk for complications from COVID-19 should attend events virtually.
- Clean and disinfect commonly-touched surfaces such as door handles and sink faucets.
- Keep the guest list small.
- Host your gathering outdoors. If that’s not possible, make sure the room is well-ventilated by opening windows and doors.
