

Celebrate the Holidays Safely

Take steps to prevent the spread of COVID-19.

PRACTICE THE 3 WS

WEAR a mask
over your nose
and mouth

WAIT
6 feet
apart

WASH
your
hands

**Avoid holiday travel and limit physical contact
with people who do not live with you.**

If you choose to travel or gather with people who live outside of your household, follow these recommendations.

Get tested for COVID-19 three to four days before traveling or attending gatherings.

Live together? Sit together.
If not, stay 6 feet apart.

Do not host or attend a gathering if you've been exposed to COVID-19 or have symptoms.

Use single-serve options or have one person serve food so that multiple people are not handling items.

Guests who are high risk for complications from COVID-19 should attend events virtually.

Clean and disinfect commonly-touched surfaces such as door handles and sink faucets.

Keep the guest list small.

Host your gathering outdoors.
If that's not possible, make sure the room is well-ventilated by opening windows and doors.
