SUSAN OSBORNE • Assistant Secretary for County Operations for
Human Services

North Carolina School Districts or Charter Schools Eligible to Receive P-EBT Benefits for August and September

Children are eligible if they had access to free or reduced-priced meals at school last year, their school district or charter school is eligible to provide free or reduce-priced meals at school this year, and their school district or charter school utilized virtual learning for all students for at least five consecutive school days between August 17th and September 30th. This is different than the eligibility criteria for P-EBT benefits in the spring, which was available to all children who normally access free or reduced lunch, regardless of school circumstance. Eligibility criteria are based on guidance from the US Department of Agriculture.
