

Wedding Lighting Options

Your rental comes with our standard wedding lighting setup. That is everything you will need for a great evening in the Pavilion. It includes a white and a blue wash over the entire stage, multi-colored dance floor lighting, blue lights on the columns, field lighting, and an onsite staff member to operate the system.

Your rental also includes lighting customized to your specific layout to accent the special areas of your wedding. These areas include, buffets, bars, cake table, gift table, sweetheart table, photobooths, DJs, and musicians.

Additional Colors—Add up to 2 additional colors of your choice to the overall stage wash. Can be used to replace or compliment our standard wash of white and blue.

Additional colors available for \$150 per color.

Hang Fabric/Sheer Drape - We will hang fabric sheers from the stage ceiling. Festival Park has (4) white sheer panels available for rent or supply your own for your perfect look. Maximum of (8) 30ft sheer panels. All fabric must be fire retardant and meet NFPA 701 standards.

\$150 to hang fabric provided by the renter. \$200 to hang the Park's fabric.

\$400 to hang the Park's fabric backlit with string lights

Hang Strung Lights— We will hang strung lighting from the ceiling of the stage. The lights will be fully controllable by the onsite lighting engineer during your reception. The renter may provide the string lights or rent ours. Minimum of 200 feet of string lights. 300+ feet recommended.

\$200 to hang lights provided by the renter, \$300 to hang the Park's lights (your choice of string or café lights)

Gobos- A gobo is a stencil for light that allows for a static image to be cast on the floor, walls, or tables. Select from the Parks catalog or provide your own custom gobo. We will be happy to help direct you to where you can have a gobo made as well as which size gobo you will need. Available in the color of your choice.

\$25 per gobo fixture

Hang Chandelier— We will hang a chandelier in a location and height of your choosing. Powered chandeliers will be fully controllable by the lighting engineer. Renter must provide the chandeliers.

\$50 per unpowered chandelier / \$75 per powered chandelier.

Structural Up Lighting—Lighting from the ground pointing upward. Can be used to accent walls and columns in and around the pavilion stage. Available in the location and color of your choice.

\$200 includes 8 lights. Additional lights can be added for \$25 a piece.

Accent Lighting Trees and Shrubs— We can uplight trees around the Pavilion or the shrubs along the water in your choice of color. This adds a unique feeling to the grounds around the stage when the sun goes down. Available in your choice of color.

\$200 includes 8 lights. Additional lights \$25 a piece.

Traveling Curtains— Traveling curtains can be installed at the front or rear of the stage. They can be opened and closed at your request. We have them available in Black and Navy.
