

LSTA EZ Technology Grant Application

Select one or more Edge Benchmark(s) from the 2019 Action Plan you developed using your Edge Assessment (www.libraryedge.org) and complete this form. The project manager will receive an email with a PDF attachment of the completed Application. The project manager must print the attached PDF file, obtain the required signatures in blue ink, scan the PDF and return it as an attachment to LSTA@ncdcr.gov by close of business on April 14, 2019, 11:59 p.m.

If your grant needs approval from an outside body (library board, county department), we recommend starting that process early to expedite the agreement process to expend funds by the end of the grant period.

For questions regarding the Edge Assessment, contact Amanda Johnson at (919) 814-6795 or amanda.johnson@ncdcr.gov. For questions regarding the grant process, contact the Grants Assistant at (919) 814-6802 or lsta@ncdcr.gov.
