Fall Open House at the North Carolina Government & Heritage Library

In recognition and support of Library Card Sign-up Month and to build awareness of library resources and services, the State Library of North Carolina’s Government & Heritage Library hosted a fall open house on Wednesday, September 18, 2019. State Librarian Timothy Owens and SLNC staff welcomed First Lady of North Carolina Kristin Cooper and North Carolina Department of Natural and Cultural Resources Secretary Susi H. Hamilton to this event. Open House highlights included remarks by the First Lady and Secretary Hamilton, library tours and the opportunity to sign up for a Government & Heritage Library card.

Community Connection Grants are Now Open!

Community Connection grants provide funding for libraries to hold unique, interactive, community-oriented events or programs which highlight notable North Carolina women or women’s issues and interests in conjunction with the She Changed the World initiative. Eligible libraries may apply for funding between $1,000 and $5,000. Applications close December 1, 2019. For details on the She Changed the World initiative, click here. To apply, click here.

Established in 1812, the State Library of North Carolina (SLNC) is the catalyst for exceptional library services in North Carolina. We are the principal library of state government; we build the capacity of all libraries; and we develop and support access to specialized collections for the people of North Carolina.

The State Library is a division of the NC Department of Natural and Cultural Resources.

There are three sections in the State Library:

**Government & Heritage Library (GHL)**
Provides print and digital information about North Carolina, as well as history, government, genealogy, and statistical research expertise.

**Library Development (LD)**
Supports libraries throughout the state, through innovative programs and services, to help them meet the needs of their communities.

**Library for the Blind & Physically Handicapped (LBPH)**
Serves blind and physically handicapped readers, through a wide range of books and magazines in print, braille, and audio formats.
