Records Retention

- By federal regulation the following should be retained for 5 years:
  - All financial records
  - All programmatic records
  - Any statistical reports *(data collection)*
  - All other records required by terms of the grant
Records Retention

- The starting date of the retention period for Non-LEAs begins with the last ERaCA back-up submission.

- The starting date of the retention period for LEAs begins on the day the grantee submits its final request for reimbursement into BAAS.

- If any *litigation, claim and/or audit* is started before the expiration of the 5 year period, the records shall be retained until all litigation, claim or audit findings involving the records have been resolved and final action taken.

**This is usually an entity outside of NCDPI (USED, Office of the State Auditor, etc.)**
Equipment and Supplies

• Inventory records for items identified as furniture/equipment should be retained for 5 years following the close-out of the grant.

• A written description and/or narrative must be provided to NCDPI as to how the retention and storage of all 21st CCLC records, reports, files and documents will be stored and maintained.
LEAs - Disposition of Equipment

• If the LEA closes one cohort and is granted another 21st CCLC cohort, the grantee can retain the equipment for use in the new cohort.

• If the LEA does not continue an afterschool 21st CCLC program and they are a Title I school, they can transfer the equipment to that program.

• If the LEA does not continue an afterschool program and not considered a Title I school, they must then offer the equipment to another 21st CCLC program in the district.
Non-LEAs Disposition of Equipment

• If the non-LEA closes one cohort and is granted a successive 21st CCLC cohort, the grantee can retain the equipment for use in the new cohort.

• If the program ends, the grantee must first offer to transfer equipment and items to other federally funded 21st CCLC programs within the district/area of the current grant; and then to other federal educational programs, such as Title 1 funded schools/programs (with coordination from NCDPI’s Program Administrator).

** If no federal program accepts the property/equipment, disposition of the equipment will be determined by NCDPI.
Supplies

• Per **EDGAR §200.439**: If there is residual inventory of unused supplies exceeding $5000 in total aggregate fair market value upon termination (close-out) or completion of a grant, the supplies should first be offered to another 21st CCLC program within the district/area. If they are not needed by another 21st CCLC program, the supplies/equipment may be offered to another federally sponsored school/program/project within the community (with coordination from NCDPI’s Program Administrator).

**If no federal program needs nor accepts the supplies, disposition of the supplies will be determined by the NCDPI.**

  - Providing programmatic, financial, evaluation data to NCDPI as required at the end of the grant.
  - Submission of any performance reports required by NCDPI at the end of the grant.

• The grantee’s obligation to return any funds due as a result of later refunds, corrections or other transactions.

• Records retention as required by federal law.

Welcome to the 21DC Data Collection system.

Here are instructions and information for 21DC Data Collection system School Year and Attendance module.

The data is collected as you enter it. Since attendance rosters aren’t considered “stable” until early October, you may find that a student entered one day may disappear if she has changed schools during the first 28 school days.

For Summer 2020, the Grantee information ONLY (not Center(s), Activities, Partners, Staff or Students) will be copied over to the new session (from school year). Please remember to edit the Grantee information if there have been changes within your organization. If you’re NOT running a summer program, when that collection opens, please mark your organization as Inactive (Active = No).

Before you can submit your data at the end of the school year, any student with an MRTS$^* = \text{Y}$ (Regular Attendee $\geq 30$ days), must have Teacher Survey questions answered. Strongly suggest starting that Teacher Survey process NOW.

$^* \text{MRTS} = \text{Missing Required Teacher Survey}$
Entering Teacher Survey Data for a Regular Attendee

Depending on how you answer each question, the next question appears.

-Teacher Survey distributed: [ ] Yes [ ] No

If 'No' was selected, you don't continue with this student's Teacher Survey information.

-Teacher Survey distributed: [ ] Yes [ ] No
-Teacher Survey returned: [ ] Yes [ ] No

If 'No' was selected, you don't continue with this student's Teacher Survey information; you go on to the next student with MRTS = Y.

Homework completion, class participation and student behavior questions must be completed if the survey was returned.
