Grant Funds

- No employee, officer, or agent may participate in the selection, award or administration of contracts supported by a federal award if he or she has a real or apparent conflict of interest.*

* Such a conflict of interest would arise when the employee, officer, or agent, any member of his/her immediate family, his/her partner, or an organization that employs or about to employ any of the parties, has a financial or other interest in, or benefits from, a contract.
