Section Chief – East
State 21st CCLC Coordinator
Alex Charles- Section Chief – West
21st CCLC Program Administrators

*Please note at the time of this presentation, The 21st CCLC Grant Guidance document was in draft form. Throughout this presentation, asterisks (*) denote revisions made after the Statewide Meeting. Please refer to the final version of the 21st CCLC Grant Guidance approved in September 2019 for the most current and approved guidance.
Monitoring Process

DPI is required to monitor the quality and effectiveness of the programs operating with funds provided through 21st CCLC grants (EDGAR, 2 CFR § 200.331). Monitoring reviews are conducted to ensure compliance with federal and state requirements and verify compliance with items included within the approved application such as assurances and budgets.

Monitoring not only serves to ensure compliance, but also provides a means to identify areas that require additional support and technical assistance. The Federal Program Monitoring and Support Division at DPI engages in four types of monitoring of federal programs which may be conducted as announced or unannounced.
Monitoring Timeline

For each organization’s three-year grant cycle, monitoring is conducted as follows:

– Year 1 – Comprehensive Program and Fiscal Monitoring Reviews
– Year 2 – Program Quality Reviews and Fiscal Desk Review
– Year 3 – CPMRs, PQRs, FMRs and/or Fiscal Desk Review (based on a risk assessment)
– Monitoring (September-April)
– 30 Day Notification
– 30 Days to Respond
– Program Administrator- Regional Meetings (Monitoring Updates)

• Transportation Costs for Students* (Guidance page 17-18)
• Travel Expenses
• Program Income/Fees Prohibited
• Program Attendance
• Written Fiscal Procedures
• Records Retention
• Providing Healthy Snacks
• Continuation Application CCIP
• Related Documents
Salaries

- Employees must be paid hourly
- Cannot exceed 70% of total yearly budget
- Must upload a Pay Rate Schedule in CCIP as component of budget approval

(Refer to Guidance page 15)
*Subcontractors*

- Must upload contract proposals in CCIP as component of budget approval process
- Conflicts of interest prohibitions:
  - Vendors cannot be 21st CCLC program employees
  - Family members cannot be used for contract services
  - Supplies and goods cannot be purchased from a company in which an employee has financial interest

(Refer to Guidance pages 16-17)
Transportation Costs for Students

- If the subgrantee is using a vehicle already owned by the organization to transport students, reimbursement of transportation costs must be based on total miles driven daily and must be multiplied by the current transportation rate for athletic events for the school district. Separate costs for vehicle maintenance cannot be charged to the 21st CCLC grant.

(Refer to Guidance pages 17-18)
Transportation

• When using contractors for student transportation, contracts must identify the rate per mile and subcontractors must submit an invoice prior to payment. Contractor invoices for payment must include, at a minimum:
  • Dates of transportation
  • From/to destination for each day
  • Rate per mile as reflected in the contract
  • Number of students transported
  • Vehicle license plate number
  • Total number of miles for the billing period

NOTES:

21st CCLC funds cannot be used to purchase vehicles.

Payment to contractors for transportation cannot be paid until the contract is approved by DPI (see Section 2.E.).

(Refer to Guidance pages 17-18)
Travel Expenses

• Program funds may be used to pay for travel expenses only for employees that are paid from 21st CCLC funds while attending DPI-sponsored meetings or professional development. Reimbursements made to staff for travel expenses must follow school district policies or policies of the NC Office of State Budget and Management’s (OSBM’s) Travel Policies and Regulations.
• Employees cannot be reimbursed for meals unless staying overnight.
• Employees must pay for their own meals and submit expenditures on a travel reimbursement request form. Subgrantee organization credit cards cannot be used to pay for staff meals during travel.
Travel Expenses

- USED’s Frequently Asked Questions document states that, “generally, there is a very high burden of proof to show that paying for food and beverages with Federal funds is necessary to meet the goals and objectives of a Federal grant.” To ensure that travel costs are 1) reasonable and necessary to accomplish the goals of subgrantee’s 21st CCLC program and 2) do not exceed charges normally allowed by DPI in its regular operations, **meal costs may only be reimbursed if there is an overnight stay.**
Program Income

• Effective December 1, 2018
  – Program income prohibited
  – Parent fees prohibited

Dear 21st CCLC Colleagues,

Recently, the U.S. Department of Education (USED) required State Education Agencies (SEAs) including NCDPI to submit in writing, whether or not program income/fees would be collected by the SEA and/or subgrantees as prior written approval must be given from USED for a State and its subgrantees to use program income for grant or subgrant activities. While USED does not forbid this practice, they recommend that states and subgrantees refrain from the collection of such fees. With this in mind, and due to recent audits in our state and across the nation, which indicated this is a highly risky practice, North Carolina informed USED that the SEA and subgrantees would not generate program income or collect fees. Therefore, effective December 1, 2018, 21st CCLC programs should no longer accept any parent fees or other sources of program income. While 21st CCLC programs have been allowed to collect program fees in the past, this practice will not be allowed going forward. If you have any question or concerns, please contact your Regional Program Administrator.
Program Attendance

• New focus on Average Daily Attendance (ADA)
• Data reviewed in CCIP by Program Administrators after funding installment
• Progressive action taken when ADA is below 70% of targeted enrollment
Total Attendance

Enrollment Goal = 100 students  
Days in Period = 16 days  
Total Attendance for Period = 658

Average Daily Attendance

Total days of attendance for all students: 658

Total program days for the period: 16

Average Daily Attendance: \( \frac{658}{16} = 41 \)
ADA Monitoring

• Enrollment Goal = 100
• 70% of Enrollment Goal = 70
• Actual ADA = 41

• What happens?
  – 1st Installment – Notice of Deficiency
  – 2nd Installment – Corrective Action Plan
  – 3rd Installment – Risk of Award Reduction
ADA Sample: Grantee had an ADA of 128 students across their 6 sites for the 2018-2019 School Year. Grantee’s RFP # was 150 students. Therefore, this grantee had 85% ADA and exceeded the 70% goal.
Written Fiscal Procedures

• LEA Fiscal Policies and Procedures Template (pdf, 379kb)

• LEA Fiscal Policy and Procedure Checklist (pdf, 145kb)

Developed by DPI School Business Division
Records Retention

• Records must be retained for a period of three (3) years from the date of submission of the final expenditure report.

• For continuation awards, records retained from the date of the submission of the annual continuation application.

• Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.
Providing Healthy Snacks

• Must document efforts to offset food costs including the date, person contacted, and final resolution
  – Food programs
  – School nutrition programs
  – Food banks

• EXCEPTION: May pay for appropriate snacks to address students that have disclosed dietary restrictions and/or food allergies
