Media Communication Webinar: 2018–19 Data Release

August 29, 2019
Agenda

• Today’s Discussion
  – Accountability Measures: Indicators of student performance
  – Reports: School Performance Grades and other data reports
  – Timeline
Reminders

• English Learners’ Progress is being included in accountability for the second year

• Grade 8 students no longer take the Grade 8 Mathematics EOG if they are in membership in NC Math 1: They now take only NC Math 1 and those results are included in the School Performance Grades (SPGs) for Grade 8 mathematics

• High school growth does not include Biology EOC test scores; Biology EOC test score proficiency is included in SPGs as a School Quality or Student Success Indicator
Reminders

• The mathematics EOGs and EOCs were implemented for the first time in the 2018–19 school year. Student scores were delayed until the State Board of Education’s approval in August.

• Legislative action affirmed the following effective for the 2018–19 school year and beyond:
  – The 15 point scale is used to determine School Performance Grades
  – ACT and WorkKeys are combined for one measure in the School Performance Grades
Reminders

• Analysis of potential impact of loss of instructional days due to Hurricane Florence indicated the need for an adjustment to the grade 3 growth analysis. The adjustment accounts for the number of days missed and waived due to the hurricane and the resulting impact on the Beginning of Year assessment. This adjustment was made to ensure the validity and comparability of the growth analysis.

• All school-level and district-level reports will include a column that indicates the number of days missed and waived due to Hurricane Florence.
Accountability Measures

• Percentage of students who met either Grade Level Proficiency (Level 3 and above) or Career and College Readiness (Level 4 and above) on the following assessments
  – End-of-Grade Tests
    ▪ English Language Arts/Reading (Grades 3–8)
    ▪ Mathematics (Grades 3–8)
    ▪ Science (Grades 5 and 8)
  – End-of-Course Tests
    ▪ English II
    ▪ NC Math 1 and NC Math 3
    ▪ Biology
Accountability Measures

• ACT® – Percentage of 11th graders who have a composite score of at least 17 (UNC system admission minimum)

• ACT WorkKeys – Percentage of Career and Technical Education (Completers) 12th graders who achieved a Silver Certificate or better

• Math Course Rigor – Percentage of 12th graders who successfully completed NC Math 3
Accountability Measures

• Graduation Rate
  – Four-year: Percentage of students who entered the 9th grade in 2015–16 and graduated by 2018–19
  – Five-year: Percentage of students who entered the 9th grade in 2014–15 and graduated by 2018–19

• Graduation Project
  – Percentage of schools that implemented and completed a graduation project

Released Data Format

Must have at least 30 data points

• 2018–19 School Performance Grades
  – School-level A–F designations (and Indicator data)
  – Student subgroup A–F designations
  – Schools with Grades 3–8 Reading and Mathematics Grades (A–F)

• 2018–19 Measures of Interim Progress Toward Long-term Goals

• 2018–19 Participation Requirements Report
Released Data Format
Data is masked if there are fewer than 10 records

• 2018–19 School Assessment and Other Indicator Data
  – EOG and EOC Assessments
  – Grade 11 ACT Performance
  – Grade 12 ACT WorkKeys Performance
  – English Learners’ Progress (Grades 3–8 and 10)
  – Additional High School Indicators
    ▪ ACT/ACT WorkKeys
    ▪ Passing NC Math 3
    ▪ 4-year and 5-year Cohort Graduation Rates
