APPLICATION UPDATES

- Dr. Danielle Allen, OCS Consultant, gave an application update. She gave an application timeline and process review. She stated that should an application for acceleration not meet the criteria in the established policy, the group will be considered for the 2020-21 opening. She explained that the CSAB should make one motion for each group, containing two clauses, either 1) the applicant meets the standard for acceleration and be forwarded to Ready to Open, 2) the applicant does not meet the standard for acceleration but be forwarded to Ready to Open on 2020-21 timeline, or 3) the applicant does not meet the standard for acceleration and should not be forwarded to Ready to Open. Any non-accelerated applicants recommended to Ready to Open on the 2020-21 timeline will go to the State Board of Education for final approval in May 2019.

- Dr. Allen reviewed the clarification interview process. She explained that on December 18, 2018, six groups were notified of their clarification interview. On January 7, 2019 rubrics were submitted to those applicants. She reviewed the schools assigned to each committee. She explained that the Office of Charter Schools is proposing seven schools to come before the CSAB in February. She explained which schools were repeat applicants from last year.

- Dr. Allen explained the interview process for today’s full interviews. She explained that ten schools were notified on December 19, 2018 of its full interview. She explained applicants received rubrics on January 7, 2019. She explained that all ten groups are acceleration applicants.

- Dr. Allen explained that February interviews will be determined based on the clarification interview decisions at this month’s meeting.

She explained that the CSAB should make one motion for each group either 1) the applicant meets the standard for acceleration and be forwarded to Ready to Open, 2) the applicant does not meet the standard for acceleration but be forwarded to Ready to Open, or 3) the applicant does not meet the standard for acceleration

- Dr. Allen reviewed the clarification interview process. She explained that on December 18th, six schools were notified of their clarification interview. She reviewed the schools assigned to each committee. She explained that the Office of Charter Schools is proposing seven schools to come before the CSAB in February. She explained which schools were repeat applicants from last year.

- Dr. Allen explained the interview process for today’s full interviews. She explained that ten schools were notified on December 19, 2018 of its full interview. She explained applicants received rubrics on January 7, 2019. She explained that all ten groups are acceleration applicants.

- Dr. Allen explained that February interviews will be determined based on the clarification interview decisions at this month’s meeting.

*Clara Science Academy*

- Dr. Allen stated the school is proposed to locate in Mecklenburg County. Dr. Allen gave a brief introduction of the school’s proposed enrollment and grade levels. There was no LEA impact statement or due diligence for this applicant. Dr. Allen reviewed the pass/fail ratings for this applicant. She stated the applicant is requesting acceleration and is a repeat applicant from last year that received a full interview. She stated the applicant received assistance from Leaders Building Leaders and the NC Public Charter School Accelerator Program and no direct fees were provided to either entity. Applicant has had representation at every Ready to Open (RTO) session held thus far.

- Omar Muhammad introduced himself as the Board Chair and other members of the board introduced themselves.

- Mr. Walker asked about the facility and whether it will be ready in time. Mr. Walker reviewed concerns that were brought up during the evaluation phase. Ms. Turner expressed concern with the education plan. Ms. Kroeger expressed concern with the budget. Ms. Kakadelis expressed concern with the student surveys.

- Ms. Varsity Muhammad stated the timeframe is about a month to repair some areas and be ready to open. She stated they have a lease ready to go pending the vote today.

- Mr. Quigley stated there is no basis for acceleration based on the location of Charlotte Mecklenburg. He stated there has to be a clear, compelling need.
• Ms. Muhammad stated they were invited back for acceleration by the board.

• Ms. Kakadelis asked about student surveys. Ms. Muhammad stated there are 150 interest surveys.

• Mr. Friend asked for clarification about the facility. Ms. Muhammad stated it would be about three months timeline.

• Mr. Quigley reiterated the importance of making sure a facility is totally ready for accelerated status.

• Ms. Turner expressed her concerns with the educational plan of the school.

• Ms. Muhammad stated the school is looking at 100 minutes of literacy, 50 minutes of writing. Mr. Walker asked to give an example of second grade literacy. She continued that the student would come in the classroom and there would be small groups and interventions. She stated that science and math will be incorporated into the daily instruction. Ms. Turner asked how STEM is incorporated. Ms. Muhammad stated it would be incorporated in the vocabulary of the classes, environmental discussions, and exposure through field trips. Ms. Turner asked if anyone on the board will be in administration. Ms. Muhammad stated she would be an administrator.

• Ms. Muhammad spoke about community engagement.

• Ms. Kakadelis asked what literacy program would be used. Ms. Muhammad stated that they would use Discovery Ed and Pearson for science and math.

• Ms. Kroeger expressed concern with the budget. Ms. Muhammad stated the insurance is low because they are hoping half of employees will buy into the insurance package. Mr. Walker stated he can’t imagine them getting insurance that low. Mr. Walker stated that will be a difficulty on the budget when looking at revenues. He stated you could eat up your surplus just with health insurance costs.

• Ms. Kroeger asked for more information about the letter from Charter School Capital. Mr. Muhammad stated that hasn’t been incorporated into the budget because they haven’t decided if they will take that loan. Ms. Kroeger pointed out that the repayment would need to be factored into the budget and it is not.

• A member of the board spoke about health insurance negotiations and stated if needed, they would go back into the budget and decide how to shift things.

• Ms. Kakadelis asked about the budget and whether the social worker and counselor are considered in the personnel budget. Ms. Muhammad stated those are projected positions after the first year.
Ms. Reeves asked about the financial officer because the position doesn’t show up in the budget until year three. A member of the board stated that the Treasurer and Finance Committee would handle the finances until that point. Another board member stated a lead administrator would be in charge of finances. Ms. Reeves and Ms. Kroeger expressed concern about the contracts for financial assistance.

Ms. Reeves asked about the transportation and lunch plans. Ms. Muhammad explained the lunch plans. She continued that the board has set aside funding for two buses and that about 70% of students have the ability to self-transport. She stated they are in negotiations with Eagle Transportation to provide transportation if needed. Ms. Reeves asked where the buses are in the budget. Mr. Muhammad stated they have raised $20,000 and they would use that for transportation. The CSAB reminded him that it would need to be shown in expenditures as well. Ms. Reeves stated the transportation plan needs to match the educational plan which shows a lot of field trips for the STEM education.

Mr. Friend explained there are several things that catch his eyes in terms of budget. Mr. Friend stated he would encourage looking at technology, custodial, and marketing.

Ms. Reeves asked about facility capacity. Mr. Muhammad stated there would be capacity for 450 students. Ms. Reeves asked about recess area, transportation egress/ingress issues, and lunch room capabilities. Mr. Muhammad stated the facility has all these things.

Ms. Vuncannon stated that she has concerns regarding the budget and contracting for EC services. Mr. Muhammad stated she is aware they will have to contract for services and it was an oversight in not putting it in the budget.

Ms. Turner stated she does not see the level of need required for acceleration. Ms. Turner stated she also has concerns about the application.

Ms. Reeves appreciates that they listened last year and reapplied this year, but she it is not clear this school would be able to open in August.

Mr. Walker expressed his concerns with acceleration. He stated the area is a saturated market. He stated it would be tough to get enrollment in the time for acceleration.

**Motion: The CSAB does not move Clara Science Academy forward for acceleration.**

**Motion: Cheryl Turner**

**Second: Lindalyn Kakadelis**

**Vote: Unanimous**

☑ Passed  ☐ Failed

Mr. Quigley stated he does not feel this application is ready for approval. Mr. Quigley and Ms. Turner expressed major concerns when a school leader cannot clearly explain the educational plan.
• The CSAB also expressed concerns with the budget. Ms. Turner stated there is no money for related services. Ms. Kroeger stated the budget concerns from last year should have been corrected this year.

• Mr. Hawkes encouraged the board to not get discouraged because other applicants have returned a third time and been approved.

**Motion: The CSAB does not move Clara Science Academy forward to Ready to Open.**

**Motion: Phyllis Gibbs**
**Second: Lynn Kroeger**
**Vote: Bruce Friend, Lynn Kroeger, Cheryl Turner, Heather Vuncannon, Sherry Reeves, Alex Quigley, Lindalyn Kakadelis, Alan Hawkes, Phyllis Gibbs in favor. Steven Walker opposed.**

*Wilmington School of the Arts Full Interview*

• Dr. Allen stated the school is proposed to locate in New Hanover County. Dr. Allen gave a brief introduction of the school’s proposed enrollment and grade levels. There was no LEA impact statement or due diligence for this applicant. They are a repeat applicant. This applicant did not receive third party assistance. Applicant has had representation at every RTO session held thus far.

• Members of the board introduced themselves and their backgrounds.

• Mr. Quigley asked about the facility. A board member spoke about a facility that is available which was a former child care center. He stated a few things would need to be done to get it up and running. Ms. Turner asked for how long they could stay in that facility. The board member stated they have a five-year lease and room for 450 students. He stated they also have a letter of intent to construct a new facility that would be ready to open in year five.

• Ms. Reeves stated that last survey data only showed fifty something eligible students. Ms. Reeves stated there is a lot of competition in this area.

• Mr. Quigley stated he doesn’t believe this meets the criteria for acceleration. He stated it doesn’t meet the threshold of a compelling need. Mr. Quigley gave examples of how he would see a facility being ready for acceleration.

• Ms. Turner asked if there is work that needs to be done on the facility. A board member stated there is no work to be done on the building. Another board member stated that the certificate of occupancy is available because a school previously occupied the building.

• A board member spoke about the need in the area and the wait lists at surrounding areas.
• Mr. Friend expressed concern about the survey data and the school’s ability to fill enrollment.

• Mr. Walker stated the hang up with acceleration right now seems to be whether there is a compelling need for this school in its proposed location.

• A board representative spoke about the board’s experience and composition making them a strong board. She stated the board has selected the school leader. She stated board members have direct experience opening charter schools and going through the RTO process.

• Mr. Quigley asked for more information regarding the literacy program and how the arts will be integrated into the educational plan. A board representative stated they are considering STEP and Wit and Wisdom as reading programs. She stated that students would receive an arts class each day. Members of the board continued to explain how arts would be integrated into the curriculum and school’s educational plan.

• Mr. Quigley asked about professional development before school starts. The board stated they have two weeks before school opens.

• Mr. Quigley asked about the staffing and the budget. A board representative stated this budget is based on meeting enrollment numbers. If they come up short, with the break-even budget, the school will not have as many positions. Mr. Quigley stated they may want to consider having either a Director of Operations or an Assistant Principal. Mr. Quigley asked about what the Arts Coordinator will do. A board member explained the responsibilities of that position and the importance of the role to the school’s mission. He stated that the pay range has been increased to an instructional level pay grade.

• Mr. Friend stated that he would echo sentiments about the level of administrators outlined in the budget.

• Mr. Quigley asked about the budget as it pertains to transportation. A board member stated that the Boys and Girls Club has agreed to contract with the school to provide transportation. The board stated this agreement is just in the beginning phases of development and unable to provide details at the time.

• Mr. Quigley asked for the background of the school leader. He explained his background in education and administration. He stated he was the founder of Northeast Carolina Charter School. He stated his career is helping schools – getting in and doing the dirty work and paying the price afterwards.

• Mr. Quigley stated the application is good, but he is not sold on meeting acceleration requirements.

• Mr. Walker stated he is torn on whether the school meets the acceleration requirements.
• The CSAB debated whether the application meets acceleration requirements. Mr. Hawkes stated they are a good application and the need is there. Ms. Turner agrees it is a good application, but they do not have a compelling need. Mr. Friend stated the school has a facility and experienced leadership and board. He believes they could probably get the school together by August. Mr. Quigley stated that ultimately the State Board will make the decision. He wants to make sure recommendations are clearly unique circumstances and a compelling need.

CHARTER SCHOOL APPLICANT INTERVIEWS CONTINUED

MINA Charter School of Lee County Full Interview

• Dr. Allen stated the school is proposed to locate in Lee County. Dr. Allen gave a brief introduction of the school’s proposed enrollment and grade levels. There was no LEA impact statement or due diligence for this applicant. They are a repeat applicant that received a full interview last year. She explained the pass/fail ratings. They did not receive assistance from a third party. This application has had representation at every RTO session thus far.
• Ms. Jeanette Peace introduced herself as the Vice Chair of the board. Other members of the board introduced themselves. Mr. Shawn Williams introduced himself as Chair of the board.

• Ms. Peace stated there is a clear and compelling need for the charter school. She stated there are no other charter schools serving elementary school students in the area. She stated that the demographics of the county call for a service to underserved minority students. She stated that 34% of the county’s students are Hispanic and for the first time in the county, minority students are in the majority and those families need choices. She pointed to the LEA’s academic scores as evidence of a need for choice in the area. She spoke about the board’s work toward Ready to Open.

• Mr. Walker asked about enrollment targets. A board member stated they are at 244 letters of intent and their goal is 252 letters. He stated they are well aware they need to be around 500. He stated all of this is without disclosing location. He stated the elementary school in the area is overcrowded.

• Ms. Peace spoke about marketing including open houses and door to door.

• Mr. Walker asked about the facility. Mr. Williams stated that they have met with city planners and the developer and have been assured the building will be ready by August.

• Mr. Friend asked about the work necessary to get the facility ready to go. Mr. Williams stated it is an upfit and it is an old shopping center. He stated they would need to put up walls and hide some beams.

• Ms. Reeves asked about the mission statement and educational plan that don’t seem aligned. Mr. Williams stated that the dual language helps the students to be innovative and the STREAM helps the students become lifelong learners. Ms. Reeves stated that still is not clear to parents that may want to send their students to the school. Ms. Kakadelis asked if it is immersion or dual language. A representative stated it will not be immersion but a goal of having conversational Spanish. Ms. Kakadelis asked how long they will get Spanish class. The board representative stated it will be incorporated into the regular class curriculum, not as a separate language class. Ms. Kakadelis stated that sounds more like immersion.

• Mr. Quigley asked for more information about the suspension policy. Mr. Williams stated there will be a mindset room with a counselor. He stated that they may suspend, but their goal is to have no out of school suspensions if possible.

• Ms. Reeves asked about the scheduling of core classes and electives. A board representative spoke about options for the scheduling. Mr. Quigley stated the importance of having details about scheduling and personnel needs locked down when a school is seeking acceleration.

• Mr. Quigley stated he has concerns about the curriculum costs and asked about non-technological curriculum programs. A board representative stated the board has not selected a curriculum program at this point. She stated they haven’t narrowed down that decision because they don’t have a charter yet.
• Ms. Reeves asked about STREAM and if they have decided what curriculum they will use for STREAM. Mr. Williams stated the major goal would be integrating STREAM across the curriculum, so it is not a pull-out program, but a teacher led component through the regular instructional day.

• Ms. Kakadelis asked about professional development and integrating language immersion and STREAM. A board representative stated there are ten days of professional development built into the calendar before the school year starts.

• Mr. Williams spoke about professional development with Dreambuilders. Ms. Reeves asked if Dreambuilders will train for dual language and STREAM integration as well. The board replied yes. The CSAB expressed concern about teachers being prepared to integrate all components of the educational plan. A board representative spoke about the school’s collaboration with other groups to help with the language immersion.

• Ms. Kroeger asked about the budget and her concerns that the revenues are overstated. She stated that if you bring the budget back down to the realistic numbers, based on enrollment, you are running a tight budget. Mr. Williams stated those numbers were generated by the calculation system in the application. He stated those numbers are not self-generated. Mr. Quigley asked for the break-even budget. Mr. Williams stated 216. Mr. Quigley asked what would be cut if they get below that number. Mr. Williams stated teacher assistants and curriculum resources.

• Mr. Friend asked about the 35k surplus after the first year. He expressed concerns about the technology budget, instructional technology, and curriculum budgets being too low. A board representative stated they wouldn’t have new technology, but there are ways to lease older equipment for cheaper. Mr. Friend stated he isn’t saying it can’t be done, but he brings it forward because it could easily eat into that 35k surplus.

• A board representative stated they are in discussion with several companies about providing resources to the school.

• Mr. Quigley stated he has major concerns with the budget. Mr. Quigley also stated he sees a lack of clarity around the program and how it is going to be run.

**Motion: MINA Charter School of Lee County does not move forward for acceleration.**

**Motion: Sherry Reeves**  
**Second: Lindalyn Kakadelis**

• The CSAB discussed whether the application met requirements for acceleration. Mr. Walker reviewed the acceleration requirements.

• Mr. Friend asked if anyone on the board had experience opening a charter from the ground up. The board replied no, but that is why they are partnering with Leaders Building Leaders.
Vote: Unanimous

CHARTER SCHOOL APPLICANT INTERVIEWS

Elaine Riddick Charter

- Dr. Allen gave an overview of the school’s proposed location (Perquimans County) and grades/enrollment numbers. Dr. Allen stated there is a LEA impact statement and no due diligence for this applicant. Dr. Allen reviewed the pass/fail ratings. She stated this is an acceleration applicant. The applicant received assistance from Torchlight Academy Schools and intend to partner with this group. Regarding RTO participation, the school had two individuals registered in October but neither attended. The school had one individual
registered in November but did not attend. Dr. Allen continued that in December, two individuals attended for about one-hour total.

- Mr. Tony Riddick introduced the school and spoke about the school’s proposed location. Ms. Mary Phelps, Board Chair, introduced herself. Fellow board members introduced themselves.

- Ms. Turner asked for clarity about the application discrepancies regarding grade levels and enrollment numbers. Mr. Riddick spoke about interest from multiple counties and that may have contributed to confusion. Another board member stated there was a mistake listing 100 students, when there should be 120 students.

- Mr. Walker asked about RTO participation and its requirements for acceleration. Mr. Walker asked why there has been registration, but no participation. Dr. Kebbler Williams, RTO Consultant with OCS, spoke about the sign-in records of the RTO planning sessions. Mr. Riddick stated he had a representative from Durham attend one session. Mr. Walker pointed out there have been multiple RTO planning sessions.

- Mr. Friend asked about the facility and its requirement for acceleration. Mr. Riddick stated they have several options for facilities. He spoke about a contingent lease agreement and a former library that is under negotiation. He spoke about his office being available as well. Ms. Kakadelis asked if there was a certificate of occupancy for educational use. Mr. Riddick stated no, but he could get one. Mr. Riddick stated the facility will not slow down the charter school process. Mr. Walker spoke about the facility requirements for acceleration.

- Ms. Turner asked about the need for the school. She stated it appears there is a greater need for middle school, but the school is starting at elementary. The Board Chair spoke about the elementary school being a foundation for middle school.

- Mr. Walker asked about doing both Common Core and Core Knowledge programs. The Board Chair stated they would not focus on one program, but differentiated instruction based on the needs of the student. Ms. Kakadelis asked if anyone has visited a Success Academy. The board replied no, but the board has researched the success of the schools. Ms. Kakadelis asked if any Success Academy operates in a rural area. The Board Chair stated they are successful with similar students. Ms. Kakadelis stated she is not aware of the model being used in rural areas. The Board Chair stated that economically disadvantaged students in both areas go hand in hand.

- Ms. Turner asked if they are replicating Torchlight. Mr. McQueen, from Torchlight, stated this is not a replication. He continued that he believes that they will use strategies and techniques from their success.
• Ms. Reeves asked about the partnership with Torchlight. Mr. McQueen replied Torchlight has superb staff that will help keep consistency among schools. Mr. Friend asked about the financial arrangement between the board and Torchlight because there is no expenditure for the management company in the budget. Mr. Walker spoke about the agreement stating the management company will receive surplus after expenses. Ms. Reeves asked what fund balance the school will keep. Mr. McQueen stated three percent.

• Ms. Gibbs asked if the salaries will be competitive. The Board Chair stated they will focus on beginning teachers and retired teachers. Ms. Reeves stated she is concerned that the school will not attract a lead administrator at 50k.

• Ms. Kakadelis stated she is struggling with acceleration in various areas.
