Supplemental Program
Codes and Definitions

Supplemental Programs are defined as services above and beyond the basic educational program provided by the local school district. The supplemental programs should reflect the current programs in which the student is participating and are recorded on the Supplemental Services Record and submitted to Data Specialists for entry into the MIS2000 Database.

| 025  | Pupil Services               | a) School attendance and/or social work activities designed to improve pupil attendance and performance in school or which attempts to prevent or solve pupil problems involving home, school or community by providing home visits and individual family contact.  
b) Guidance activities (not offered as part of an "At-Risk" program) that provide consultation with other staff members in planning and conducting programs for pupils, assisting pupils in personal and social development, assessing the abilities of pupils, assisting students and OSY as they make their own educational career plans. |
<p>| 026  | Nutrition                    | Services which involve preparation and serving of regular and incidental meals, lunches, or snacks in connection with school or Migrant Education Program activities.                                              |
| 027  | Pupil Transportation        | Services which have as their purpose the conveyance of pupils to and from school or Migrant Education Program activities, on trips related to school activities, or as part of the provision of other support services. |
| 028  | At-Risk                     | Programs or services designed to meet the needs of children who have been identified as potential dropouts or who have dropped out of school. This includes counseling leading to re-enrollment in school or enrollment in programs leading to a high school diploma or its equivalent. |
| 029  | Needs Assessment             | The determination as to whether or not the services of the migrant program are needed by each migrant child; administration of surveys, questionnaires, interviews, or focus groups. If this is indicated for OSY students, the OSY Survey must be used and submitted to NCMEP. |
| 030  | Guidance/Counseling         | Activities, usually employing psychological methods, designed to enhance educational or personal development, prevent life problems, or handle personal crisis situations. Counseling activities are normally conducted directly with individual students or small groups of students. |
| 031  | Social Work/Outreach         | Coordination activities with parents, other family members, teachers, service agencies, students and others; designed to ensure that migrant children and families receive the full range of services available to them. Activities include but are not limited to: School-home linkage, regular education program linkage, social service linkage and interstate linkages. |
| 033  | Internet Access              | Supplementary school and/or community-based programs/services that provide internet access to students.                                                                                                       |
| 047  | AIM, Youth Involvement, and Leadership Development | Support services provided through participation in AIM (Action, Inspiration, Motivation) Clubs, youth group efforts, or other leadership development programs.                                                                 |</p>

### Identification Codes (for ID purposes only, not services)

<table>
<thead>
<tr>
<th>Code</th>
<th>Description</th>
</tr>
</thead>
</table>
| 034  | Priority for Services  
Any student who is identified to have Priority for Services according to the NCMEP Guidelines (school interruption and at-risk of failing to meet State standards or dropping out). |
| 038  | Service under 2\textsuperscript{nd} Provision of COS  
Identification code for a migrant student whose eligibility has ended for an additional school year. (A migrant child may continue to be served for an additional school year, providing that comparable services are not available through other programs). These students do not count in your annual Performance Report; nor does a program receive funding for them. Approval for COS (2\textsuperscript{nd} Provision) must be obtained from NCMEP through an application process. |
| 040  | LEP  
Any student whose primary language is not English (as indicated in the Home Language Survey) and who is insufficiently proficient in the English Language to receive instruction exclusively from regular educational programs and function on an academic par with his/her peers (as indicated in the English proficiency assessment administered by the LEA for in-school students). OSY may be coded ONLY if they have been assessed/screened for English Language Proficiency using a formal screening instrument. |
| 041  | H-2A  
Youth identified, enrolled, and served by MEP and who by immigration status H-2A. |
| 043  | Exceptional Children  
Migrant children identified as Exceptional Children. |
| 046  | Service under 3\textsuperscript{rd} Provision of COS  
Identification code for a former migrant student being served under the 3\textsuperscript{rd} provision of the Continuation of Services definition in Title I, Part C, Section 1304(e)(3): A local operating agency may continue to serve secondary students who were eligible for services during secondary school through credit accrual programs until they graduate. Approval for COS (3\textsuperscript{rd} Provision) must be obtained from NCMEP through an application process. |
| 060  | Service under 1\textsuperscript{st} Provision of COS  
Students ending eligibility during a term and served until the end of the term. A student in this category does not need to have a COS Record submitted to DPI. |
