SCHOOL HEALTH REQUIREMENTS FOR NC CHARTER SCHOOLS

Annette Richardson, MSN, RN, NCSN
Charter School Health Nurse Consultant
NC Division of Public Health - Children and Youth Branch
NC Department of Health and Human Services
252-309-3009 office
annette.richardson@dhhs.nc.gov

Objective:
Participants will understand:
- Student health requirements for NC Charter Schools
- Student health recommendations for consideration
- Available resources for assistance in addressing student health issues
COMMUNICATION IS KEY

EDDIE

Educational Directory and Demographical Information Exchange (EDDIE) is the authoritative source for NC public school numbers and demographic information, is used by multiple NCDPI technology systems.

EDDIE is located at: http://apps.schools.nc.gov/eddie

Communication is Key

Office of Charter Schools Newsletter

Student Health Officer/Coordinator for each charter school should subscribe to the Office of Charter School’s newsletter. It will have all the most up-to-date information. Anyone may subscribe by clicking the link https://content.govdelivery.com/accounts/NCSBE/bulletins/211694b and entering their email information at the top of the page as demonstrated below.

SCHOOL HEALTH REQUIREMENTS FOR NC CHARTER SCHOOLS
SCHOOL NURSING IN N.C.

• All institutions are subject to certain health care requirements and to licensing requirements from professional practice boards, as established in NC state statute.
• The NC Board of Nursing regulates all nursing (RN, LPN) and nursing assistant practice through statute-based authority.
• Appropriate qualifications help to ensure safe delivery of care and to limit liability.

SCHOOL NURSING IN N.C.

• Registered nurse is the only license allowed to practice independently in the school setting.
• Badge law—unlawful for any individual to practice or offer to practice as a nurse or use the word “nurse” as a title for himself/herself or use abbreviations to indicate that he/she is a registered nurse or licensed practical nurse.

CHARTER SCHOOL RESPONSIBILITY

Protect Health and Safety of Students

Medical Care to Students by School Personnel
Authority to provide care: GS 115C-375.1
- Law allows school staff to give medical care within areas described.
- Allows staff to refuse
- Provides limited protection from liability
**SCHOOL HEALTH REQUIREMENTS**

**Students with Diabetes** – Required by Law

- GS 115C-375.3
- Senate Bill 911
- Senate Bill 738

Ensure that guidelines adopted by the SBE are implemented in schools in which students with diabetes are enrolled.

Report on compliance annually by June 1st.

---

**SCHOOL HEALTH REQUIREMENTS**

Required components for schools with diabetic students:

- Generalized diabetic training for all school staff
- Two intensively trained school staff for specific students with diabetes
- Written plan for diabetic student care

---

**SCHOOL HEALTH REQUIREMENTS**

---

ANNUAL CHARTER SCHOOL HEALTH SERVICES REPORT

- Reports compliance for school health requirements.
- Communicated via Office of Charter Schools Newsletter.
- Must meet all the requirements.
- Compliance is reported as part of Performance Framework A-17.
  - The school is compliant with all student health and safety requirements as defined in general statutes, SBE policy, or the signed charter agreement.
- Worksheet is distributed in April.
- Online report is open May 1st to June 1st. Closed at midnight; no exceptions.
Immunizations – Required by Law

- ALL North Carolina children must be compliant with immunization law.
- Principal/headmaster is required to exclude students not in compliance after the 30th calendar day from the first day of school.
- Resources for schools and for families
  - https://www.immunize.nc.gov/schools/resourcesforschools.htm
  - https://www2a.cdc.gov/nip/kidstuff/newscheduler_le/

Have a staff person responsible for verifying immunizations and reporting.

New immunization requirement – August 1, 2020

- Meningococcal - A booster does is required for individuals entering 12th grade of by 16 years of age, whichever comes first.
**Slide 19**

**CURRENT HEALTH LAW AND CHARTER SCHOOLS**

*Health Assessment - Required by Law*

G.S. 130A-440

Health Assessment required for all students new to NC public schools within 30 calendar days of a child’s first day of attendance in the public schools.

Principal/headmaster shall not permit the child to attend the school until the required health assessment transmittal form has been presented.

- NOT allowed to impact student’s academics.

---

**Slide 20**

**CURRENT HEALTH LAW AND CHARTER SCHOOLS**

- Charter schools verify and report on the compliance by November 1st of each year.

- Reporting for Immunizations (G.S. 130A-155(c))

The school shall file an annual immunization report with the Department by November 1st. The child care facility shall file an immunization report annually with the Department. The report shall be filed on forms prepared by the Department and shall state the number of children attending the school or facility, the number of children who had not obtained the required immunization within 30 days of their first attendance, the number of children who received a medical exemption and the number of children who received a religious exemption.

- Reporting for Health Assessments (G.S. 130A-441)

Within 60 calendar days after the commencement of a new school year, the principal shall file a health assessment status report with the Department on forms developed by the Department and the Department of Public Instruction. The report shall document the number of children in compliance and not in compliance with G.S. 130A-440(a).

---

**Slide 21**

**CURRENT HEALTH LAW AND CHARTER SCHOOLS**

Required by State: Garrett’s Law (Notifications)

- G.S. 115C-47

§ 115C-218.75. General operating requirements - information about meningococcal meningitis and influenza at the beginning of every school year. This information shall include the causes, symptoms, and how meningococcal meningitis and influenza are spread and the places where parents and guardians may obtain additional information and vaccinations for their children.

- Grades 5-12 - charter schools provide information at the beginning of the school year to parents and guardians with information about cervical cancer, cervical dysplasia, human papillomavirus, and the vaccines available to prevent these diseases. This information shall include the causes and symptoms of these diseases, how they are transmitted, how they may be prevented by vaccination, including the benefits and possible side effects of vaccination, and the places parents and guardians may obtain additional information.

Resources for this available at Immunization Branch.

---
Reporting compliance for Health Assessments G.S. 130A-441

- Within 60 calendar days after the commencement of a new school year, the principal shall file a health assessment status report with the Department on forms developed by the Department and the Department of Public Instruction. The report shall document the number of children in compliance and not in compliance with G.S. (130A-440a).

---

FEDERAL LAWS IMPACTING CHARTER SCHOOLS

CLIA: Clinical Laboratory Improvement Amendments of (1988)

Require “anyone performing even one test, including waived procedures, on human specimens for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or impairment of, or the assessment of the health of a human being…” to register for a CLIA certificate of waiver.

SCHOOL HEALTH RECOMMENDATIONS

You will have students on medication and need to have a system in place to protect yourself and the student.

- Medication administration
- Policy and procedure
- Treat all medications the same
- Prescription & Over-the-counter need parent and physician written authorization
- Discourage routine medications at school
Other recommended policies include:
- Prevention and control of communicable disease
- Provision of emergency care, including injury reporting
- Screening, referral, and follow-up
- Maintenance of student health records/electronic records
- Special health care services (State Board of Education Policy GCS-G-code)
- Process for identification of students with acute and chronic health care needs/conditions
- Response to Do Not Attempt Resuscitation (DNAR) directive

Please see the North Carolina School Health Program Manual, Section C, Chapter 2, for more information.

Don’t make assumptions - ask
- Student Emergency Contact Card
  - Update this information every year
  - Share them with parents/guardians
- NC DPI and DPH updates, law changes, reminders:
  - Office of Charter Schools Newsletter
