Debarment Certification

North Carolina Debarment Certification – 2020-2021

CERTIFICATION REGARDING DEBARMEMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549, debarment and suspension, 34 CFR Part 85, Section 85.510, Participants’ responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 160/1621). Copies of the regulations may be obtained by contacting the person to whom this proposal is submitted. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

Website Reference for NC Debarment Vendors: http://www.doa.state.nc.us/ncp/PreQualifications.asp

THE AUTHORIZED REPRESENTATIVE IS THE SUPERINTENDENT

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. It is later determined that the prospective lower tier participant knowingly rendered an erroneous certification. In addition to other remedies available to the Federal Government, the Department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. The prospective lower tier participant shall provide immediate written notice to the person from whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of these regulations.

4. The prospective lower tier participant agrees by submitting this proposal that should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency with which this transaction originated.

5. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification on all lower tier covered transactions and its substitution for all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non Procurement List.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records or to render in good faith the certification required by this clause.

8. Except for transactions authorized under number 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Criminal Background Check Certification

- Program conducts criminal background checks for all staff, direct service contractors, and volunteers, PRIOR to working with students
- Run against national and state criminal databases including North Carolina Sex Offender Database and National Sex Offender Database
- Allowable Expense

ELISS GRANT CRIMINAL BACKGROUND CHECK CERTIFICATION

Fiscal Agent Organizations awarded the Extended Learning and Integrated Student Supports (ELISS) Grant must certify that all employees, direct-service contractors, and volunteers who work with the program have approved criminal background checks on file prior to their work with the program. In accordance with state guidelines, the organization’s procedure regarding criminal background checks must meet the following requirements:

1. Must comply with the criminal background check policy and personnel procedures of the program feeder schools' district(s) [district is also referred to as the Local Education Agency (LEA)], or that of the Fiscal Agent Organization’s governing board.

2. In the absence of an LEA or Fiscal Agent Organization's governing board policy, the Fiscal Agent Organization must obtain background checks that meet the following criteria at a minimum:
   - Criminal record checks must be completed and cleared for all new or existing employees, volunteers, or contractors prior to their interaction with children or handling of ELISS funds.
   - Statewide criminal background checks must include all states in which the employee or volunteer lives or has lived for the previous five (5) years.
   - All criminal background checks must be obtained directly and kept on file by the Fiscal Agent Organization; background checks obtained/submitted by employees are not acceptable. The Fiscal Agent Organization maintains responsibility to ensure that the background check data is accurate and current.
   - All criminal background checks must include the following:
     a) Date criminal history check was obtained;
     b) Name of agency that completed criminal history check;
     c) Name or identity code of the person who ran the background check; and
     d) Results of the criminal history check (i.e., "no record," "record attached," etc.).

3. Each Fiscal Agent Organization has the authority to determine and manage its own personnel policies; however, individuals convicted of the following offenses are strictly prohibited from working with the ELISS Program in any capacity:
   - Felony (of any kind);
   - Any offense involving sexual or physical abuse/neglect against a child.

4. If an employee or volunteer is arrested, charged, or convicted of a crime as indicated above during the course of contracted services with the ELISS Program, that individual is required to notify the Fiscal Agent Organization within 24 hours (or within 72 hours if arrested), and the organization must run a new criminal background check.

Conflict of Interest Agreement

NC Department of Public Instruction
Extended Learning and Integrated Student Supports (ELISS) Program

Conflict of Interest Agreement

ELISS Organization: ____________________________

ELISS Organization Code: ______________________

According to the general procurement standards, the non-Federal entity must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity. (20 CFR 3200.318)

Within the ELISS program, conflicts of interest could include:

- Employing immediate family members as contract labor for services.
- Having a program employee serve as a vendor.
- Purchasing supplies from a company in which a program employee has a financial interest.

NOTE: North Carolina General Statute (G.S. 115C-12.2) defines “immediate family member” as a spouse, parent, child, brother, sister, grandparent, or grandchild. The term also includes the step, half, and in-law relationships.

I agree and accept the above Conflict of Interest Agreement:

Program Director’s Printed Name (Required): ____________________________

*Program Director’s Signature (Required): ____________________________ Date: ____________

Fiscal Agent’s Printed Name (Required): ____________________________

*Fiscal Agent’s Signature (Required): ____________________________ Date: ____________

*If the Program Director and Fiscal Agent for the non-profit organization are the same person, a signature must be completed in both places to represent agreement in both roles.

2020-2021
Examples of a Conflict of Interest

• Hiring an unqualified relative to provide services your company needs

• Owning part of a business that sells goods or services to your employer

• Making arrangements to work for a vendor or client at a future date while continuing to do business with them
