2. Section 5 of Executive Order No. 116 (which was amended by Section 6 of Executive Order No. 119 and Section 1 of Executive Order No. 146 and extended by Executive Order Nos. 133, 140, and 146) is amended as follows:

In order to ensure adequacy and location of supplies and resources to respond to COVID-19, DPS, in conjunction with the North Carolina Department of Transportation ("DOT"), shall waive the maximum hours of service for drivers prescribed by DPS pursuant to N.C. Gen. Stat. § 20-381
subject to the restrictions and limitations in this Executive Order, if the driver is transporting medical supplies and equipment related to the testing, diagnosis and treatment of COVID-19; and supplies and equipment necessary for community safety, sanitation, and prevention of community transmission of COVID-19, such as masks, gloves, hand sanitizer, soaps and disinfectants, essential fuels, food, water, livestock, poultry, feed for livestock and poultry and other supplies and equipment in support of the Plan or other efforts to address the public health threat posed by COVID-19, through the duration of the State of Emergency or until further notice.

3. Executive Order 116 and 119 are amended to add a new Section 5.5

Section 5.5 Transportation Waiver Restrictions and Limitations

Pursuant to the FMCSA Extension and Modification of the Modified Expanded Emergency Declaration No. 2020-20 Under 49 CFR § 390.25 issued on August 11, 2020, motor carriers and drivers providing direct assistance to respond to the COVID-19 pandemic are not granted emergency relief from, and must continue to comply with, the following Federal Motor Carrier Safety Regulations and conditions:

1. 49 C.F.R. § 392.2 related to the operation of a commercial motor vehicle in accordance with State laws and regulations, including compliance with applicable speed limits and other traffic restrictions.

2. 49 C.F.R. § 392.3 related to the operation of a commercial motor vehicle while a driver's ability or alertness is so impaired, or so likely to become impaired, through fatigue, illness, or any other cause, as to make it unsafe for him/her to begin or continue to operate the motor vehicle.

3. Motor carriers shall not require or allow fatigued drivers to operate a commercial motor vehicle. A driver who informs a carrier that he/she needs immediate rest shall be given at least ten (10) consecutive hours before the driver is required to return to service.

4. 49 C.F.R. §§ 392.80 and 392.82 related to the prohibitions on texting while driving and using a hand-held mobile telephone while driving.

5. A motor carrier whose driver is involved in a crash while operating under this Executive Order must report any recordable crash within 24 hours, by phone or in writing, to the FMCSA Division Office where the motor carrier is domiciled. The carrier must report the date, time, location, driver, vehicle identification, and brief description of the crash.

6. Nothing in this Executive Order shall be construed as an exemption from the controlled substance and alcohol uses and testing requirements (49 C.F.R. § 382), the commercial driver's license requirements (49 C.F.R. § 383), the financial responsibility (insurance) requirements (49 C.F.R. § 387), the hazardous material regulations (49 C.F.R. §§ 100-180), applicable size and weight requirements, or any other portion of the regulations not specifically exempted under 49 C.F.R. § 390.23.

7. Motor carriers or drivers currently subject to an out-of-service order are not eligible for the relief granted by this declaration until they have met the applicable conditions for its rescission and the order has been rescinded by FMCSA in writing.

8. Direct assistance terminates when a driver or commercial motor vehicle is used in commerce to transport cargo or provide services that are not in support of emergency relief efforts related to COVID-19 or when the motor carrier dispatches a driver or commercial motor vehicle to another location to begin operations in commerce. (49 C.F.R. § 390.23(b)). Upon termination
of direct assistance to emergency relief efforts related to COVID-19, the motor carrier and driver are subject to the requirements of 49 C.F.R. §§ 390 through 399, except that a driver may return empty to the motor carrier's terminal or the driver's normal work reporting location without complying with Parts 390 through 399.

4. This Executive Order does not amend the sixty (60) day postponement of DMV-related hearings established in Section 3.f of Executive Order No. 119.

5. The first sentence of Section 8 of Executive Order No. 119 is amended to read:

"This Executive Order is effective immediately and shall remain in effect until the end of the calendar day on September 14, 2020, or until rescinded or superseded by another applicable Executive Order.

B. Miscellaneous provisions. For avoidance of doubt:

1. Future Executive Orders may extend the term of the restrictions, delegations, and requirements listed above.

2. An Executive Order rescinding the Declaration of a State of Emergency will automatically rescind this Executive Order.

Section 2. Distribution

I hereby order that this Executive Order be: (1) distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; (2) promptly filed with the Secretary of the North Carolina Department of Public Safety, the Secretary of State, and the superior court clerks in the counties to which it applies, unless the circumstances of the State of Emergency would prevent or impede such filing; and (3) distributed to others as necessary to ensure proper implementation of this Executive Order.

Section 3. Effective Date

This Executive Order is effective immediately. This Executive Order shall remain in effect until September 14, 2020 unless repealed, replaced, or rescinded by another applicable Executive Order. An Executive Order rescinding the Declaration of a State of Emergency will automatically rescind this Executive Order.
