ENFORCE CREATIVITY
suite of tools

www.AmericansForTheArts.org/EncourageCreativity

1. VIDEOS
Share these videos to inform your community, inspire your friends, and impact the world.

"Encourage Creativity: Teach the Arts" showcases the voices of young people as they demonstrate the value and benefits of the arts in their lives. Visit the website to check out the three components of this suite of tools.

Begin by sharing this video series with Teachers, Principals, Superintendents, Business Leaders, Community Leaders, and Policymakers. Next take the quiz and test your own knowledge. Lastly download and use our advocacy tools to help make your case about the importance of arts education.

2. QUIZZES
How much do you know about the benefits of arts education? Take the quiz and share your results on social media!

3. TOOLS
Download printable handouts to remind your audience of the importance of arts education.
