Length and Time Commitment:

All classes run for approximately 12 weeks and require an average of 7.5 hours of weekly coursework. The only exception is the accelerated Fast Track class offered in the summer, which runs 8 weeks and requires approximately 15 hours of weekly coursework.

Learning Environment:

This format strives to recreate the classroom environment by incorporating a combination of synchronous and asynchronous learning. Those who participate in these sessions will log in to the virtual classroom environment at scheduled times to participate in live lessons, view lectures or participate in group learning activities. In addition to the live scheduled lessons those who attend will also participate in self-guided lessons via discussion boards, video lectures, reading and other self-guided research activities.

Please note, the remote learning format contains several required online meeting times with minimal flexibility. Before registering, please confirm your availability. Check each course listed above, for specific dates scheduled for in-person sessions.

Registration/Payment Instructions:

Online registration for this course is required at www.ncworkforcetraining.com. Be sure to consider your availability for all required dates before registering. Please contact us if you need special accommodations or have questions about the course schedules listed above.
