BULLETIN: 10-4 (Replaces Q3-1)

SUBJECT: Approval Required for All Budget Revisions

DATE REVISED: September 1, 2010

ATTENTION: All CDBG Recipients

In July 2000, the US Department of Housing and Urban Development (HUD) implemented the Integrated Disbursement and Information System (IDIS), which is used to draw down funds. This system authorizes requisitions from a Community Development Block Grant (CDBG) activity only if the requisition budget matches the official budget in the IDIS system.

This bulletin clarifies the steps that are required whenever a grant budget needs to be revised.

1. Discuss proposed Revision with your Grants Management Representative prior to submittal;

2. All budget revisions 10% or less of the grant award must be submitted in writing by a letter of transmittal from the Chief Elected Official to the Division of Community Assistance (DCA) for approval describing why the revision is necessary and a Project Budget Revision Form must be included. Any budget revision more than 10% will continue to require a program amendment (Refer to Bulletin 10-3).

3. When cumulative budget revisions equal or exceed the 10% rule a budget Amendment is required (Refer to Bulletin 10-3).

4. Grantee must allow five (5) working days after receiving DCA’s approval before submitting a requisition. Requisitions will be honored if submitted after the revised budget has been approved.

Please feel free to contact your Community Development Block Grant (CDBG) Grants Management Representative with any questions.
