ARCHITECTURAL RESOURCES

1. Are there any buildings or structures on the project site? (Include abandoned barns, farmhouses, tobacco sheds, bridges, etc.)
2. If yes, submit one set of photographs of any structures which appear to have been built before World War II (Polaroid-type snapshots are okay). Photos should show the front and one side of structure and area behind structure.

ARCHAEOLOGICAL RESOURCES

1. Present and previous land uses of the proposed borrow area.
2. What kind of site preparation, if any, has taken place on the project site?
3. Have any artifacts (arrowheads, pottery, etc.) been found on the site?
4. Are any marked or unmarked cemeteries located within the proposed pit area?
5. Has the area been surveyed by an archaeologist? If yes, give the name of the archaeologist and the date of the survey, if know.

Please attach a copy of a map showing the exact location of the proposed borrow pit/waste area. A portion of an identified USGS quad sheet is preferred and will ensure timely review of your project. Submit the completed form and map to: Renee Gledhill-Earley, Environmental Review Coordinator, State Historic Preservation Office, 4617 Mail Service Center, Raleigh, NC 27699-4617 (telephone 919/814-6584).
