

## PLAQUES AND MARKERS FOR NATIONAL REGISTER PROPERTIES

Neither the National Park Service nor the North Carolina Historic Preservation Office promotes or recommends any particular type of marker or plaque to recognize National Register properties, nor are there any requirements regarding inscriptions for such plaques. Owners of National Register properties may purchase at their own expense a marker or plaque from one of several manufacturers. Several of the following manufacturers are listed in [The Old House Journal](#) Catalog as suppliers of custom and generic markers for National Register properties. Owners may contact these companies directly for product information.

Also see this National Park Service posting for additional plaque manufacturers and suggested wording for National Register plaques: [www.nps.gov/nr/faq.htm#plaque](http://www.nps.gov/nr/faq.htm#plaque).
