

Required Application Attachments

After you have digitally signed the application, you must click on the submit button. Note your Application ID. If you are not automatically redirected to your home page, please click “View Application” under Search. You will see your application under your recent list. Please click on your application and you will find an attachments section. This is where you will upload the required documents per the RFP for which you are applying.

Diesel Bus & Vehicle Program Application Checklist:

	Download and complete DAQ Vehicle Equipment Spreadsheet
	Quote for the vehicle/equipment/engine being purchased
	Nonprofits only: Copy of Charitable Solicitation License from the North Carolina Department of the Secretary of State
	Optional supporting documentation
	For projects requesting funding for charging infrastructure with an all-electric replacement or repower, please include an itemized budget. (One charger allowed for each vehicle replacement or repower requested.)
