

# Emissions Testing and Safety Inspections for Motor Vehicles

 Emissions testing (OBD) and safety inspections required for cars and light-duty trucks

 Safety inspections only required for cars and trucks

\* In all 100 counties, cars and light-duty trucks are required to get an annual safety inspection if they are less than 35 years old. In the blue-shaded counties, 1996 and newer cars and light-duty trucks also are required to get an annual emissions inspection (OBD).
