

PUBLIC NOTICE
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for the approval to construct and operate a methyl bromide fumigation operation at the following location.

Tima Capital Inc (*currently Royal Pest Solutions, Inc.*)
800 and 810 Sunnyvale Drive
Wilmington, NC 28412
New Hanover County

This facility's application for the proposed facility was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. The results of that review led to a preliminary determination that the project could be approved, and the DAQ air permit issued, if certain permit conditions are met. This notice serves as a notice of opportunity for public comment for this proposal to be published in the Wilmington Star News on or about February 23, 2018.

A copy of all data and the application submitted by Tima Capital Inc (*currently Royal Pest Solutions, Inc.*) and other material used by the DAQ in making this revised preliminary determination are available for public inspection during normal business hours at the following locations:
