SUBJECT: Permit Annual and Application Fees for Calendar Year 2020

Attached are the official tables for the new Division of Air Quality permit annual and application fees for calendar year 2020. Please copy this memorandum to anyone likely to need it. In 2019, pursuant to 15A NCAC 02Q .0204, the Department of Environmental Quality increased the Title V fees by the Consumer Price Index (1.89997 %). This inflation adjustment will go into effect starting January 1, 2020 for the Title V permit application fees. The new Title V annual fees will first affect those facilities invoiced in February 2020 which have January anniversary dates.

Checks should be made payable to Department of Environmental Quality.
