Dear XXXXXX:

The Division of Air Quality has considered your XXXdateXXX request to construct equipment prior to receipt of an air permit as allowed in N.C.G.S. 143-215.108A(b). Your request describes the following equipment:

XXXXX
XXXXX
XXXXX

Based on the information submitted in your "Notice of Intent to Construct," and in accordance with N.C.G.S. 143-215.108A(c), the Division of Air Quality grants permission for the construction, alteration or expansion of the equipment listed above. You may commence construction immediately. <<or add a date if still waiting for 15 days to pass since notice was placed>> **Please be aware that you are not allowed to operate any of the equipment prior to receipt of your revised air permit.** Also, there may be other state, federal or local regulations applicable to your construction plans. This permission to construct prior to receipt of an air permit does not supercede any applicable zoning ordinances.

<< OR >>

This office has determined that your "Notice of Intent to Construct" does not meet the conditions described in N.C.G.S. 143-215.108A(c)(1) and you may not begin construction on any of the following

equipment: <<if some equipment is denied and some may construct then list denied equipment, otherwise replace with 'any of the equipment listed above'>>. Specifically we find that ... XXX.

If you have any questions please feel free to call XXXXXXX at (XXX)XXX-XXXX.

Sincerely,
