PUBLIC NOTICE ON PRELIMINARY DETERMINATION REGARDING APPROVAL OF AN APPLICATION SUBMITTED UNDER THE REGULATIONS FOR THE PREVENTION OF SIGNIFICANT DETERIORATION

Daimler Trucks North America - Cleveland Plant has applied to the North Carolina Department of Environmental Quality, Division of Air Quality (DAQ) for the approval of a project involving an increase in truck production at the facility located in Rowan County, North Carolina

The project is subject to review and processing under North Carolina Administrative Code (NCAC), Title 15A, Subchapter 2D .0530 "Prevention of Significant Deterioration."

The Daimler Trucks North America - Cleveland Plant application has been reviewed by the DAQ, Permitting Section in Raleigh, North Carolina to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations.

A preliminary review, including analysis of the impact of the facility emissions on local air quality, has led to the Determination that the project can be approved, and the DAQ air permit issued, if certain permit conditions are met.

Rowan County is classified as an attainment area. Compliance with all ambient air quality standards and the PSD increments is projected.

A copy of the application submitted by Daimler Trucks North America - Cleveland Plant and other material used by the DAQ in making this Preliminary Determination, are available for public inspection during normal business hours at the following locations:
