

**REVISED NOTICE FOR PUBLIC MEETING AND HEARING
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION FOR
Enviva Pellets Hamlet, LLC**

Enviva Pellets Hamlet, LLC has applied to the North Carolina Department of Environmental Quality, Division of Air Quality for approval of a project to modify the existing PSD permit to install air emission control equipment and reclassify the facility as a PSD minor stationary source at:

1125 North NC Highway 177
Hamlet, NC 28345
Richmond County

The facility's application for the modification of the existing PSD permit to install air emission control equipment and reclassify the facility as a PSD minor stationary source was reviewed by the Division of Air Quality, Raleigh Central Office to determine compliance with the requirements of the North Carolina Environment Management Commission air pollution regulations. The results of that review led to the preliminary determination that the project could be approved and the Division of Air Quality permit could be issued, if certain permit conditions are met.

This notice serves as a Revised Notice of Public Meeting and Hearing and Opportunity for Public Comment for this proposal. The public meeting and hearing will be held in the Richmond Community College, Cole Auditorium, on November 8, 2018 at 6:30 p.m. (public meeting) and 7:00 p.m. (public hearing) located at 1042 W. Hamlet Ave., Hamlet, NC 28345.

A copy of all data and the application submitted by Enviva Pellets Hamlet, LLC and other material used by the Division of Air Quality in making this preliminary determination are available for public inspection during normal business hours at the following locations:
