Recertification of Pumper Vehicle(s)

Septage Firm Permit #:  NCS-______________________________
Number of Pumper Vehicles: _______________________________

CERTIFICATION:
“I certify, under penalty of law, that the pumper vehicle or vehicles listed in the submitted permit application meet the requirements for safe and sanitary transportation of septage as required by 15A NCAC 13B .0844 (a) and vehicle lettering as required by 15A NCAC 13B .0844 (b). I also certify that a log is maintained of each septage pumping event as required by 15A NCAC 13B .0839 (a). I am aware that there are significant penalties for false certification including the possibility of fine and imprisonment.”
