

Where to Apply for Weatherization Assistance

Applications must be placed with the designated local service provider for the county in which you live. Start the application process by contacting the appropriate designated local service provider. You will be required to provide proof of income for everyone in your household. Examples of the documents needed are pay stubs and social security payments for the past year. The local service provider may ask additional documentation. You will need annual income verification for all occupants, energy bills or a print out from your utility company, and proof of ownership of property to be weatherized (or written permission from your landlord) when applying.
