

Trout Buffer Waivers February 2009

County	Project Type	Stream Name	Acres	Total Buffer Impact	Width reduction	Channel relocation	Received	RAI	Rev. received	Action	Action Date	Water Class
Watauga	Residential	UT Watauga River	5	286'	286'		8/11/2008	10/10/2008	11/17/2008	Approved	1/29/2009	B, Trout
Residential subdivision development. Road encroached on buffer due to property boundary and topographic constraints. Coldwater BMP for storm drainage into buffer and native plantings in buffer required.												
Buncombe	Stream Restoration	Robinson Creek	7	3837'	2837'	1000'	7/14/2008	7/31/2008	1/13/2009	Approved	1/29/2009	C, trout
Stream restoration project with partial stream relocation. Buffers to be forested along reconstructed stream.
