§ 150B-3. Special provisions on licensing.

(a) When an applicant or a licensee makes a timely and sufficient application for issuance or renewal of a license or occupational license, including the payment of any required license fee, the existing license or occupational license does not expire until a decision on the application is finally made by the agency, and if the application is denied or the terms of the new license or occupational license are limited, until the last day for applying for judicial review of the agency order. This subsection does not affect agency action summarily suspending a license or occupational license under subsections (b) and (c) of this section.

(b) Before the commencement of proceedings for the suspension, revocation, annulment, withdrawal, recall, cancellation, or amendment of any license other than an occupational license, the agency shall give notice to the licensee, pursuant to the provisions of G.S. 150B-23. Before the commencement of such proceedings involving an occupational license, the agency shall give notice pursuant to the provisions of G.S. 150B-38. In either case, the licensee shall be given an opportunity to show compliance with all lawful requirements for retention of the license or occupational license.

(c) If the agency finds that the public health, safety, or welfare requires emergency action and incorporates this finding in its order, summary suspension of a license or occupational license may be ordered effective on the date specified in the order or on service of the certified copy of the order at the last known address of the licensee, whichever is later, and effective during the proceedings. The proceedings shall be promptly commenced and determined.

Nothing in this subsection shall be construed as amending or repealing any special statutes, in effect prior to February 1, 1976, which provide for the summary suspension of a license.

(d) This section does not apply to the following:

2. Refusal to renew an occupational license pursuant to G.S. 87-101.1, 87-22.2, 87-44.2 or 89C-18.1, based solely on a Department of Revenue determination that the licensee owes a delinquent income tax debt.

§ 150B-4. Declaratory rulings.

(a) On request of a person aggrieved, an agency shall issue a declaratory ruling as to the validity of a rule or as to the applicability to a given state of facts of a statute administered by the agency or of a rule or order of the agency. Upon request, an agency shall also issue a declaratory ruling to resolve a conflict or inconsistency within the agency regarding an interpretation of the law or a rule adopted by the agency. The agency shall prescribe in its rules the procedure for requesting a declaratory ruling and the circumstances in which rulings shall or shall not be issued. A declaratory ruling is binding on the agency and the person requesting it unless it is altered or set aside by the court. An agency may not retroactively change a declaratory ruling, but nothing in this section prevents an agency from prospectively changing a declaratory ruling.

(a1) An agency shall respond to a request for a declaratory ruling as follows:

1. Within 30 days of receipt of the request for a declaratory ruling, the agency shall make a written decision to grant or deny the request. If the agency fails to make a written decision to grant or deny the request within 30 days, the failure shall be deemed a decision to deny the request.

2. If the agency denies the request, the decision is immediately subject to judicial review in accordance with Article 4 of this Chapter.

3. If the agency grants the request, the agency shall issue a written ruling on the merits within 45 days of the decision to grant the request. A declaratory ruling is subject to judicial review in accordance with Article 4 of this Chapter.

4. If the agency fails to issue a declaratory ruling within 45 days, the failure shall be deemed a denial on the merits, and the person aggrieved may seek judicial review pursuant to Article 4 of this Chapter. Upon review of an agency's failure to issue a declaratory ruling, the court shall not consider any basis for the denial that was not presented in writing to the person aggrieved.

(b) Repealed by Session Laws 1997-34, s. 1.

Article 2A.
Rules.

§ 150B-18. Scope and effect.
This Article applies to an agency's exercise of its authority to adopt a rule. A rule is not valid unless it is adopted in substantial compliance with this Article. An agency shall not seek to implement or enforce against any person a policy, guideline, or other interpretive statement that meets the definition of a rule contained in G.S. 150B-2(8a) if the policy, guideline, or other interpretive statement has not been adopted as a rule in accordance with this Article.

§ 150B-19. Restrictions on what can be adopted as a rule.
An agency may not adopt a rule that does one or more of the following:

(1) Implements or interprets a law unless that law or another law specifically authorizes the agency to do so.

(2) Enlarges the scope of a profession, occupation, or field of endeavor for which an occupational license is required.

(3) Imposes criminal liability or a civil penalty for an act or omission, including the violation of a rule, unless a law specifically authorizes the agency to do so or a law declares that violation of the rule is a criminal offense or is grounds for a civil penalty.

(4) Repeats the content of a law, a rule, or a federal regulation. A brief statement that informs the public of a requirement imposed by law does not violate this subdivision and satisfies the "reasonably necessary" standard of review set in G.S. 150B-21.9(a)(3).

(5) Establishes a fee or other charge for providing a service in fulfillment of a duty unless a law specifically authorizes the agency to do so or the fee or other charge is for one of the following:
   a. A service to a State, federal, or local governmental unit.
   b. A copy of part or all of a State publication or other document, the cost of mailing a document, or both.
   c. A transcript of a public hearing.
   d. A conference, workshop, or course.
   e. Data processing services.

(6) Allows the agency to waive or modify a requirement set in a rule unless a rule establishes specific guidelines the agency must follow in determining whether to waive or modify the requirement.

(7) Repealed by Session Law 2011-398, s. 61.2 effective July 25, 2011.

§ 150B-19.1. Requirements for agencies in the rule-making process.
(a) In developing and drafting rules for adoption in accordance with this Article, agencies shall adhere to the following principles:

   1. An agency may adopt only rules that are expressly authorized by federal or State law and that are necessary to serve the public interest.

   2. An agency shall seek to reduce the burden upon those persons or entities who must comply with the rule.

   3. Rules shall be written in a clear and unambiguous manner and must be reasonably necessary to implement or interpret federal or State law.

   4. An agency shall consider the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed. The agency shall not adopt a rule that is unnecessary or redundant.

   5. When appropriate, rules shall be based on sound, reasonably available scientific, technical, economic, and other relevant information. Agencies shall include a reference to this information in the notice of text required by G.S. 150B-21.2(c).

   6. Rules shall be designed to achieve the regulatory objective in a cost-effective and timely manner.

   (b) Each agency subject to this Article shall conduct an annual review of its rules to identify existing rules that are unnecessary, unduly burdensome, or inconsistent with the principles set forth in subsection (a) of this section. The agency shall repeal any rule identified by this review.

   (c) Each agency subject to this Article shall post on its Web site, no later than the publication date of the notice of text in the North Carolina Register, all of the following:

      1. The text of a proposed rule.

      2. An explanation of the proposed rule and the reason for the proposed rule.

      3. The federal certification required by subsection (g) of this section.

      4. Instructions on how and where to submit oral or written comments on the proposed rule, including a description of the procedure by which a person can object to a proposed rule and subject the proposed rule to legislative review.

      5. Any fiscal note that has been prepared for the proposed rule.

If an agency proposes any change to a rule or fiscal note prior to the date it proposes to adopt a rule, the agency shall publish the proposed change on its Web site as soon as practicable after the change is drafted. If an agency's staff proposes any such change to be presented to the rule-making agency, the staff shall publish the proposed change on the agency's Web site as soon as practicable after the change is drafted.

(d) Each agency shall determine whether its policies and programs overlap with the policies and programs of another agency. In the event two or more agencies' policies and programs overlap, the agencies shall coordinate the rules adopted by each agency to avoid unnecessary, unduly burdensome, or inconsistent rules.
(e) Each agency shall quantify the costs and benefits to all parties of a proposed rule to the greatest extent possible. Prior to submission of a proposed rule for publication in accordance with G.S. 150B-21.2, the agency shall review the details of any fiscal note prepared in connection with the proposed rule and approve the fiscal note before submission.

(f) If the agency determines that a proposed rule will have a substantial economic impact as defined in G.S. 150B-21.4(b1), the agency shall consider at least two alternatives to the proposed rule. The alternatives may have been identified by the agency or by members of the public.

(g) Whenever an agency proposes a rule that is purported to implement a federal law, or required by or necessary for compliance with federal law, or on which the receipt of federal funds is conditioned, the agency shall:

1. Prepare a certification identifying the federal law requiring adoption of the proposed rule. The certification shall contain a statement setting forth the reasons why the proposed rule is required by federal law. If all or part of the proposed rule is not required by federal law or exceeds the requirements of federal law, then the certification shall state the reasons for that opinion.
2. Post the certification on the agency Web site in accordance with subsection (c) of this section.
3. Maintain a copy of the federal law and provide to the Office of State Budget and Management the citation to the federal law requiring or pertaining to the proposed rule.

(b) Repealed by Session Law 2014-120.

§ 150B-19.2. Repealed by Session Law 2013-413, s. 3.(c).

§ 150B-19.3. Limitation on certain environmental rules.

(a) An agency authorized to implement and enforce State and federal environmental laws may not adopt a rule for the protection of the environment or natural resources that imposes a more restrictive standard, limitation, or requirement than those imposed by federal law or rule, if a federal law or rule pertaining to the same subject matter has been adopted, unless adoption of the rule is required by one of the following subdivisions of this subsection. A rule required by one of the following subdivisions of this subsection shall be subject to the provisions of G.S. 150B-21.3(b1) as if the rule received written objections from 10 or more persons under G.S. 150B-21.3(b2):

1. A serious and unforeseen threat to the public health, safety, or welfare.
2. An act of the General Assembly or United States Congress that expressly requires the agency to adopt rules.
3. A change in federal or State budgetary policy.
4. A federal regulation required by an act of the United States Congress to be adopted or administered by the State.
5. A court order.

(b) For purposes of this section, "an agency authorized to implement and enforce State and federal environmental laws" means any of the following:

9. The Pesticide Board created pursuant to G.S. 143-436.

§ 150B-20. Petitioning an agency to adopt a rule.

(a) Petition. -- A person may petition an agency to adopt a rule by submitting to the agency a written rule-making petition requesting the adoption. A person may submit written comments with a rule-making petition. If a rule-making petition requests the agency to create or amend a rule, the person must submit the proposed text of the requested rule change and a statement of the effect of the requested rule change. Each agency must establish by rule the procedure for submitting a rule-making petition to it and the procedure the agency follows in considering a rule-making petition.

(b) Time. -- An agency must grant or deny a rule-making petition submitted to it within 30 days after the date the rule-making petition is submitted, unless the agency is a board or commission. If the agency is a board or commission, it must grant or deny a rule-making petition within 120 days after the date the rule-making petition is submitted.

(c) Action. -- If an agency denies a rule-making petition, it must send the person who submitted the petition a written statement of the reasons for denying the petition. If an agency grants a rule-making petition, it must inform the person who submitted the rule-making petition of its decision and must initiate rule-making proceedings. When an agency grants a rule-making petition, the notice of text it publishes in the North Carolina Register may state that the agency is initiating rule-making as the result of a rule-making petition and state the name of the person who submitted the rule-making petition. If the rule-making petition requested the creation or amendment of a rule, the notice of text the agency publishes may set out the text of the requested rule change submitted with the rule-making petition and state whether the agency endorses the proposed text.

(d) Review. -- Denial of a rule-making petition is a final agency decision and is subject to judicial review under Article 4 of this Chapter. Failure of an agency to grant or deny a rule-making petition within the time limits set in subsection (b) is a denial of the rule-making petition.

(e) Repealed by Session Laws 1996, Second Extra Session, c. 18, s. 7.10(b).

§ 150B-21. Agency must designate rule-making coordinator; duties of coordinator.

(a) Each agency must designate one or more rule-making coordinators to oversee the agency's rule-making functions. The coordinator shall serve as the liaison between the agency, other
agencies, units of local government, and the public in the rule-making process. The coordinator shall report directly to the agency head.

(b) The rule-making coordinator shall be responsible for the following:

1. Preparing notices of public hearings.
2. Coordinating access to the agency's rules.
3. Screening all proposed rule actions prior to publication in the North Carolina Register to assure that an accurate fiscal note has been completed as required by G.S. 150B-21.4(b).

1. Require any unit of local government, including a county, city, school administrative unit, or other local entity funded by or through a unit of local government to carry out additional or modified responsibilities;
2. Increase the cost of providing or delivering a public service funded in whole or in part by any unit of local government; or
3. Otherwise affect the expenditures or revenues of a unit of local government.

(d) The rule-making coordinator shall send to the Office of State Budget and Management for compilation a copy of each final fiscal note prepared pursuant to G.S. 150B-21.4(b).

(e) The rule-making coordinator shall compile a schedule of the administrative rules and amendments expected to be proposed during the next fiscal year. The coordinator shall provide a copy of the schedule to Office of State Budget and Management in a manner proposed by that Office.

Part 2. Adoption of Rules.

(a) Adoption. -- An agency may adopt a temporary rule when it finds that adherence to the notice and hearing requirements of G.S. 150B-21.2 would be contrary to the public interest and that the immediate adoption of the rule is required by one or more of the following:

(a2) A recent act, change, regulation, or order as used in subdivisions (2) through (5) of subsection (a) of this section means an act, change, regulation, or order occurring or made effective no more than 210 days prior to the submission of a temporary rule to the Rules Review Commission. Upon written request of the agency, the Commission may waive the 210-day requirement upon consideration of the degree of public benefit, whether the agency had control over the circumstances that required the request for waiver, notice to and opposition by the public, the need for the waiver, and previous requests for waivers submitted by the agency.
(a3) Unless otherwise provided by law, the agency shall:
(1) At least 30 business days prior to adopting a temporary rule, submit the rule and a notice of public hearing to the Codifier of Rules, and the Codifier of Rules shall publish the proposed temporary rule and the notice of public hearing on the Internet to be posted within five business days.
(2) At least 30 business days prior to adopting a temporary rule, notify persons on the mailing list maintained pursuant to G.S. 150B-21.2(d) and any other interested parties of its intent to adopt a temporary rule and of the public hearing.
(3) Accept written comments on the proposed temporary rule for at least 15 business days prior to adoption of the temporary rule.
(4) Hold at least one public hearing on the proposed temporary rule no less than five days after the rule and notice have been published.
(a4) An agency must also prepare a written statement of its findings of need for a temporary rule stating why adherence to the notice and hearing requirements in G.S. 150B-21.2 would be contrary to the public interest and why the immediate adoption of the rule is required. If the temporary rule establishes a new fee or increases an existing fee, the agency shall include in the written statement that it has complied with the requirements of G.S. 12-3.1. The statement must be signed by the head of the agency adopting the temporary rule.
(b) Review. -- When an agency adopts a temporary rule it must submit the rule and the agency's written statement of its findings of the need for the rule to the Rules Review Commission. Within 15 business day after receiving the proposed temporary rule, the Commission shall review the agency's written statement of findings of need for the rule and the rule to determine whether the statement meets the criteria listed in subsection (a) of this section and the rule meets the standards in G.S. 150B-21.9. The Commission shall direct a member of its staff who is an attorney licensed to practice law in North Carolina to review the statement of findings of need and the rule. The staff member shall make a recommendation to the Commission, which must be approved by the Commission or its designee. The Commission's designee shall be a panel of at least three members of the Commission. In reviewing the statement, the Commission or its designee may consider any information submitted by the agency or another person. If the Commission or its designee finds that the statement meets the criteria, listed in subsection (a) of this section and the rule meets the standards in G.S. 150B-21.9, the Commission or its designee must approve the temporary rule and deliver the rule to the Codifier of Rules within two business days of approval. The Codifier of Rules must enter the rule into the North Carolina Administrative Code on the sixth business day following receipt from the Commission or its designee.
(b1) If the Commission or its designee finds that the statement does not meet the criteria listed in subsection (a) of this section or that the rule does not meet the standards in G.S. 150B-21.9, the Commission or its designee must immediately notify the head of the agency. The agency may supplement its statement of need with additional findings or submit a new statement. If the agency provides additional findings or submits a new statement, the Commission or its designee must review the additional findings or new statement within five business days after the agency submits the additional findings or new statement. If the Commission or its designee again finds that the statement does not meet the criteria listed in subsection (a) of this section or that the rule does not meet the standards in G.S. 150B-21.9, the Commission or its designee must immediately notify the head of the agency and return the rule to the agency.
(b2) If an agency decides not to provide additional findings or submit a new statement when notified by the Commission or its designee that the agency's findings of need for a rule do not meet the required criteria or that the rule does not meet the required standards, the agency must notify the Commission or its designee of its decision. The Commission or its designee shall then return the rule to the agency. When the Commission returns a rule to an agency in accordance with this subsection, the agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes.
(b3) Notwithstanding any other provision of this subsection, if the agency has not complied with the provisions of G.S. 12-3.1, the Codifier of Rules shall not enter the rule into the Code.
(c) Standing. -- A person aggrieved by a temporary rule adopted by an agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency's written statement of findings of need for the rule meets the criteria listed in subsection (a) of this section and whether the rule meets the standards in G.S. 150B-21.9. The court shall not grant an ex parte temporary restraining order.
(c1) Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this subsection. A person who files an action for declaratory judgment under this subsection must serve a copy of the complaint on the agency that
adopted the rule being contested, the Codifier of Rules, and the Commission.

(d) Effective Date and Expiration. -- A temporary rule becomes effective on the date specified in G.S. 150B-21.3. A temporary rule expires on the earliest of the following dates:

1. The date specified in the rule.
2. The effective date of the permanent rule adopted to replace the temporary rule, if the Commission approves the permanent rule.
3. The date the Commission returns to an agency a permanent rule the agency adopted to replace the temporary rule.
4. The effective date of an act of the General Assembly that specifically disapproves a permanent rule adopted to replace the temporary rule.
5. 270 days from the date the temporary rule was published in the North Carolina Register, unless the permanent rule adopted to replace the temporary rule has been submitted to the Commission.

(c) Publication. -- When the Codifier of Rules enters a temporary rule in the North Carolina Administrative Code, the Codifier must publish the rule in the North Carolina Register.

§ 150B-21.1A. Adoption of an emergency rule.

(a) Adoption. - An agency may adopt an emergency rule without prior notice or hearing or upon any abbreviated notice or hearing the agency finds practical when it finds that adherence to the notice and hearing requirements of this Part would be contrary to the public interest and that the immediate adoption of the rule is required by a serious and unforeseen threat to the public health or safety. When an agency adopts an emergency rule, it must simultaneously commence the process for adopting a temporary rule by submitting the rule to the Codifier of Rules for publication on the Internet in accordance with G.S. 150B-21.1(a3). The Department of Health and Human Services or the appropriate rule-making agency within the Department may adopt emergency rules in accordance with this section when a recent act of the General Assembly or the United States Congress or a recent change in federal regulations authorizes new or increased services or benefits for children and families and the emergency rule is necessary to implement the change in State or federal law.

(b) Review. - An agency must prepare a written statement of its findings of need for an emergency rule. The statement must be signed by the head of the agency adopting the rule. When an agency adopts an emergency rule, it must submit the rule and the agency's written statement of its findings of need for the rule to the Codifier of Rules. Within two business days after an agency submits an emergency rule, the Codifier of Rules must review the agency's written statement of findings of need for the rule to determine whether the statement of need meets the criteria in subsection (a) of this section. In reviewing the statement, the Codifier of Rules may consider any information submitted by the agency or another person. If the Codifier of Rules finds that the statement meets the criteria, the Codifier of Rules must notify the head of the agency and enter the rule in the North Carolina Administrative Code on the sixth business day following approval by the Codifier of Rules.

If the Codifier of Rules finds that the statement does not meet the criteria in subsection (a) of this section, the Codifier of Rules must immediately notify the head of the agency. The agency may supplement its statement of need with additional findings or submit a new statement. If the agency provides additional findings or submits a new statement, the Codifier of Rules must review the additional findings or new statement within one business day after the agency submits the additional findings or new statement. If the Codifier of Rules again finds that the statement does not meet the criteria in subsection (a) of this section, the Codifier of Rules must immediately notify the head of the agency.

If an agency decides not to provide additional findings or submit a new statement when notified by the Codifier of Rules that the agency's findings of need for a rule do not meet the required criteria, the agency must notify the Codifier of Rules of its decision. The Codifier of Rules must then enter the rule in the North Carolina Administrative Code on the sixth business day after receiving notice of the agency's decision. Notwithstanding any other provision of this subsection, if the agency has not complied with the provisions of G.S. 12-3.1, the Codifier of Rules shall not enter the rule into the Code.

(c) Standing. - A person aggrieved by an emergency rule adopted by an agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency's written statement of findings of need for the rule meets the criteria listed in subsection (a) of this section and whether the rule meets the standards in G.S. 150B-21.9. The court shall not grant an ex parte temporary restraining order.

Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this subsection. A person who files an action for declaratory judgment under this subsection must serve a copy of the complaint on the agency that adopted the rule being contested, the Codifier of Rules, and the Commission.

(d) Effective Date and Expiration. - An emergency rule becomes effective on the date specified in G.S. 150B-21.3. An emergency rule expires on the earliest of the following dates:

1. The date specified in the rule.
2. The effective date of the temporary rule adopted to replace the emergency rule, if the Commission approves the temporary rule.
3. The date the Commission returns to an agency a temporary rule the agency adopted to replace the emergency rule.
4. Sixty days from the date the emergency rule was published in the North Carolina Register, unless the temporary rule adopted to replace the emergency rule has been submitted to the Commission.

(e) Publication. - When the Codifier of Rules enters an emergency rule in the North Carolina Administrative Code, the Codifier of Rules must publish the rule in the North Carolina Register.

§ 150B-21.1B. Expired pursuant to Session Laws 2009-475, s.16, effective June 30, 2012.

§ 150B-21.2. Procedure for adopting a permanent rule.

(a) Steps. -- Before an agency adopts a permanent rule, the agency must comply with the requirements of G.S. 150B-19.1, and it must take the following actions:
(1) Publish a notice of text in the North Carolina Register.
(2) When required by G.S. 150B-21.4, prepare or obtain a fiscal note for the proposed rule.
(3) Repealed by Session Laws 2003-229, s. 4, effective July 1, 2003.
(4) When required by subsection (e) of this section, hold a public hearing on the proposed rule after publication of the proposed text of the rule.
(5) Accept oral or written comments on the proposed rule as required by subsection (f) of this section.
(b) Repealed by Session Laws 2003-229, s. 4, effective July 1, 2003.
(c) Notice of Text. – A notice of the proposed text of a rule must include all of the following:
(1) The text of the proposed rule, unless the rule is a readoption of an existing rule that is published in the North Carolina Register and any fiscal note that has been prepared in connection with the rule.
(2) A short explanation of the reason for the proposed rule.
(2a) A link to the agency's website containing the information required by G.S. 150B-19.1(c).
(3) A citation to the law that gives the agency the authority to adopt the rule.
(4) The proposed effective date of the rule.
(5) Instructions on how a person may demand a public hearing and scheduled on the rule.
(6) The period of time during which and the person to whom written comments may be submitted on the proposed rule.
(7) If a fiscal note has been prepared for the rule, a statement that a copy of the fiscal note can be obtained from the agency.
(9) Repealed by Session Laws 2013-143, s. 1, effective June 19, 2013.
(d) Mailing List. – An agency must maintain a mailing list of persons who have requested notice of rule making. When an agency publishes in the North Carolina Register a notice of text of a proposed rule, it must mail a copy of the notice or text to each person on the mailing list who has requested notice on the subject matter described in the notice or the rule affected. An agency may charge an annual fee to each person on the mailing list to cover copying and mailing costs.
(e) Hearing. – An agency must hold a public hearing on a rule if it proposes to adopt the rule in the North Carolina Register and the agency receives a written request for a public hearing on the proposed rule within 15 days after the notice of text is published. The agency must accept comments at the public hearing on both the proposed rule and any fiscal note that has been prepared in connection with the proposed rule.
(f) Comments. – An agency must accept comments on the text of the proposed rule that is published in the North Carolina Register and any fiscal note that has been prepared in connection with the rule for at least 60 days after the text is published or until the date of any public hearing held on the proposed rule. An agency must consider fully all written and oral comments received.
(g) Adoption. – An agency shall not adopt a rule until the time for commenting on the proposed text of the rule has elapsed and shall not adopt a rule if more than 12 months have elapsed since the end of the time for commenting on the proposed text of the rule. Prior to adoption, an agency shall review any fiscal note that has been prepared for the proposed rule and consider any public comments received in connection with the proposed rule or the fiscal note. An agency shall not adopt a rule that differs substantially from the text of a proposed rule published in the North Carolina Register unless the agency publishes the text of the proposed different rule in the North Carolina Register and accepts comments on the proposed different rule for the time set in subsection (f) of this section.

An adopted rule differs substantially from a proposed rule if it does one or more of the following:
(1) Affects the interests of persons who, based on the proposed text of the rule published in the North Carolina Register, could not reasonably have determined that the rule would affect their interests.
(2) Addresses a subject matter or an issue that is not addressed in the proposed text of the rule.
(3) Produces an effect that could not reasonably have been expected based on the proposed text of the rule.

When an agency adopts a rule, it shall not take subsequent action on the rule without following the procedures in this Part. An agency must submit an adopted rule to the Rules Review Commission within 30 days of the agency's adoption of the rule.
(h) Explanation. – An agency must issue a concise written statement explaining why the agency adopted a rule if, within 15 days after the agency adopts the rule, a person asks the agency to do so. The explanation must state the principal reasons for and against adopting the rule and must discuss why the agency rejected any arguments made or considerations urged against the adoption of the rule. The agency must issue the explanation within 15 days after receipt of the request for an explanation.
(i) Record. – An agency must keep a record of a rule-making proceeding. The record must include all written comments.
received, a transcript or recording of any public hearing held on the rule, any fiscal note that has been prepared for the rule, and any written explanation made by the agency for adopting the rule.

§ 150B-21.3. Effective date of rules.

(a) Temporary and Emergency Rules. -- A temporary rule or an emergency rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. -- A permanent rule approved by the Commission becomes effective on the first day of the month following the month the rule is approved by the Commission, unless the Commission received written objections to the rule in accordance with subsection (b2) of this section, or unless the agency that adopted the rule specifies a later effective date.

(b1) Delayed Effective Dates. -- If the Commission received written objections to the rule in accordance with subsection (b2) of this section, the rule becomes effective on the earlier of the thirty-first legislative day of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a different effective date applies under this section. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill ratified by the General Assembly before it becomes effective does not become effective.

A rule specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(b2) Objection. - Any person who objects to the adoption of a permanent rule may submit written comments to the agency. If the objection is not resolved prior to adoption of the rule, a person may submit written objections to the Commission. If the Commission receives written objections from 10 or more persons, no later than 5:00 P.M. of the day following the day the Commission approves the rule, clearly requesting review by the legislature and in accordance with instructions contained in the notice pursuant to G.S. 150B-21.2(c)(9), and the Commission approves the rule, the rule will become effective as provided in subsection (b1) of this section. The Commission shall notify the agency that the rule is subject to legislative disapproval on the day following the day it receives 10 or more written objections. When the requirements of this subsection have been met and a rule is subject to legislative disapproval, the agency may adopt the rule as a temporary rule if the rule would have met the criteria listed in G.S. 150B-21.1(a) at the time the notice of text for the permanent rule was published in the North Carolina Register. If the Commission receives objections from 10 or more persons clearly requesting review by the legislature, and the rule objected to is one of a group of related rules adopted by the agency at the same time, the agency that adopted the rule may cause any of the other rules in the group to become effective as provided in subsection (b1) of this section by submitting a written statement to that effect to the Commission before the other rules become effective.

(c) Executive Order Exception. -- The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission but the effective date of which has been delayed in accordance with subsection (b1) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill ratified on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill ratified by the General Assembly is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill ratified by the General Assembly within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(c1) Fees. -- Notwithstanding any other provision of this action, a rule that establishes a new fee or increases an existing fee shall not become effective until the agency has complied with the requirements of G.S. 12-3.1.

(d) Legislative Day and Day of Adjournment. -- As used in this section:

(1) A "legislative day" is a day on which either house of the General Assembly convenes in regular session.

(2) The "day of adjournment" of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution or by operation of law for more than 30 days.

(3) The "day of adjournment" of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.

(e) OSHA Standard. -- A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

(f) Technical change. -- A permanent rule for which no notice or hearing is required under G.S. 150B-21.5(a)(1) through (a)(5) or G.S. 150B-21.5(b) becomes effective on the first day of the
§ 150B-21.3A. Periodic review and expiration of existing rules.

(a) Definitions. – For purposes of this section, the following definitions apply:

2. Committee. – Means the Joint Legislative Administrative Procedure Oversight Committee.

3. Necessary with substantive public interest. – Means a rule for which the agency has received public comments within the past two years. A rule is also "necessary with substantive public interest" if the rule affects the property interest of the regulated public and the agency knows or suspects that any person may object to the rule.

4. Necessary without substantive public interest. – Means a rule for which the agency has not received a public comment concerning the rule within the past two years. A "necessary without substantive public interest" rule includes a rule that merely identifies information that is readily available to the public, such as an address or a telephone number.

5. Public comment. – Means written comments objecting to the rule, in whole or in part, received by an agency from any member of the public, including an association or other organization representing the regulated community or other members of the public.

6. Unnecessary rule. – Means a rule that the agency determines to be obsolete, redundant, or otherwise not needed.

(b) Automatic Expiration. – Except as provided in subsection (d1) of this section, any rule for which the agency that adopted the rule has not conducted a review in accordance with this section shall expire on the date set in the schedule established by the Commission pursuant to subsection (d) of this section.

(c) Review Process. – Each agency subject to this Article shall conduct a review of the agency's existing rules at least once every 10 years in accordance with the following process:

1. Step 1: The agency shall conduct an analysis of each existing rule and make an initial determination as to whether the rule is (i) necessary with substantive public interest, (ii) necessary without substantive public interest, or (iii) unnecessary. The agency shall then post the results of the initial determination on its Web site and invite the public to comment on the rules and the agency's initial determination. The agency shall also submit the results of the initial determination to the Office of Administrative Hearings for posting on its Web site. The agency shall accept public comment for no less than 60 days following the posting. The agency shall review the public comments and prepare a brief response addressing the merits of each comment. After completing this process, the agency shall submit a report to the Commission. The report shall include the following items:

a. The agency's initial determination.

b. All public comments received in response to the agency's initial determination.

c. The agency's response to the public comments.

2. Step 2: The Commission shall review the reports received from the agencies pursuant to subdivision (1) of this subsection. If a public comment relates to a rule that the agency determined to be necessary and without substantive public interest or unnecessary, the Commission shall determine whether the public comment has merit and, if so, designate the rule as necessary with substantive public interest. For purposes of this subsection, a public comment has merit if it addresses the specific substance of the rule and relates to any of the standards for review by the Commission set forth in G.S. 150B-21.9(a). The Commission shall prepare a final determination report and submit the report to the Committee for consultation in accordance with subdivision (3) of this subsection. The report shall include the following items:

a. The agency's initial determination.

b. All public comments received in response to the agency's initial determination.

c. The agency's response to the public comments.

d. A summary of the Commission's determinations regarding public comments.

e. A determination that all rules that the agency determined to be necessary and without substantive public interest and for which no public comment was received or for which the Commission determined that the public comment was without merit be allowed to remain in effect without further action.

f. A determination that all rules that the agency determined to be unnecessary and for which no public comment was received or for which the Commission determined that the public comment was without merit shall expire on the first day of the month following the date the report becomes effective in accordance with this section.

g. A determination that all rules that the agency determined to be necessary with substantive public interest or that the Commission designated as necessary with public interest as provided in this subdivision shall be readopted as though the rules were new rules in accordance with this Article.

3. Step 3: The final determination report shall not become effective until the agency has consulted with the Committee. The determinations contained in the report pursuant to sub-divisions e., f., and g. of subdivision (2) of this subsection shall become effective on the date the report is reviewed by the Committee. If the Committee does not hold a meeting to hear the consultation required by this subdivision within 60 days of receipt of the final determination report, the consultation requirement is deemed
satisfied, and the determinations contained in the report become effective on the 61st day following the date the Committee received the report. If the Committee disagrees with a determination regarding a specific rule contained in the report, the Committee may recommend that the General Assembly direct the agency to conduct a review of the specific rule in accordance with this section in the next year following the consultation.

(d) Timetable. – The Commission shall establish a schedule for the review and readoption of existing rules in accordance with this section on a decennial basis as follows:

1. With regard to the review process, the Commission shall assign by assigning each Title of the Administrative Code a date by which the review required by this section must be completed. In establishing the schedule, the Commission shall consider the scope and complexity of rules subject to this section and the resources required to conduct the review required by this section. The Commission shall have broad authority to modify the schedule and extend the time for review in appropriate circumstances. Except as provided in subsections (e) and (f) of this section, if the agency fails to conduct the review by the date set by the Commission, the rules contained in that Title which have not been reviewed will expire. The Commission shall report to the Committee any agency that fails to conduct the review. The Commission may exempt rules that have been adopted or amended within the previous 10 years from the review required by this section. However, any rule exempted on this basis must be reviewed in accordance with this section no more than 10 years following the last time the rule was amended.

2. With regard to the readoption of rules as required by subsection (c)(2)g. of this section, once the final determination report becomes effective, the Commission shall establish a date by which the agency must readopt the rules. The Commission shall consult with the agency and shall consider the agency's rule-making priorities in establishing the readoption date. The agency may amend a rule as part of the readoption process. If a rule is readopted without substantive change, the agency is not required to prepare a fiscal note as provided by G.S. 150B-21.4.

(e) Rules to Conform to or Implement Federal Law. – Rules adopted to conform to or implement federal law shall not expire as provided by this section. The Commission shall report annually to the Committee on any rules that do not expire pursuant to this subsection.

(f) Other Reviews. – Notwithstanding any provision of this section, an agency may subject a rule that it determines to be unnecessary to review under this section at any time by notifying the Commission that it wishes to be placed on the schedule for the current year. The Commission may also subject a rule to review under this section at any time by notifying the agency that the rule has been placed on the schedule for the current year.

§ 150B-21.4. Fiscal notes and regulatory impact analysis on rules.

(a) State Funds. – Before an agency adopts publishes in the North Carolina Register the proposed text of a permanent rule change that would require the expenditure or distribution of funds subject to the State Budget Act, Chapter 143C of the General Statutes it must submit the text of the proposed rule change, an analysis of the proposed rule change, and a fiscal note on the proposed rule change to the Office of State Budget and Management and obtain certification from the Office of State Budget and Management that the funds that would be required by the proposed rule change are available. The agency shall submit the text of the proposed rule change, an analysis of the proposed rule change, and a fiscal note on the proposed rule change to the Office at the same time as the agency submits the notice of text for publication pursuant to G.S. 150B-21.2. The fiscal note must state the amount of funds that would be expended or distributed as a result of the proposed rule change and explain how the amount was computed. The Office of State Budget and Management must certify a proposed rule change if funds are available to cover the expenditure or distribution required by the proposed rule change.

(b1) DOT Analyses. – In addition to the requirements of subsection (a) of this section, any agency that adopts a rule affecting environmental permitting of Department of Transportation projects shall conduct an analysis to determine if the rule will result in an increased cost to the Department of Transportation. The analysis shall be conducted and submitted to the Board of Transportation when the agency submits the notice of text for publication. The agency shall consider any recommendations offered by the Board of Transportation prior to adopting the rule. Once a rule subject to this subsection is adopted, the Board of Transportation may submit any objection to the rule it may have to the Rules Review Commission. If the Rules Review Commission receives an objection to a rule from the Board of Transportation no later than 5:00 P.M. of the day following the day the Commission approves the rule, then the rule shall only become effective as provided in G.S. 150B-21.3(b1).

(b) Local Funds. – Before an agency adopts publishes in the North Carolina Register the proposed text of a permanent rule change that would affect the expenditures or revenues of a unit of local government and must submit the text of the proposed rule change and a fiscal note on the proposed rule change to the Office of State Budget and Management as provided by G.S. 150B-21.26, the Fiscal Research Division of the General Assembly, the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities. The fiscal note must state the amount by which the proposed rule change would increase or decrease expenditures or revenues of a unit of local government and must explain how the amount was computed.

(b1) Substantial Economic Impact. – Before an agency adopts publishes in the North Carolina Register the proposed text of a permanent rule change that would have a substantial economic impact and that is not identical to a federal regulation that the
agency is required to adopt, the agency shall prepare a fiscal note for the proposed rule change and have the note approved by the Office of State Budget and Management. The agency must also obtain from the Office a certification that the agency adhered to the regulatory principles set forth in G.S. 150B-19.1(a)(2), (5), and (6). The agency may request the Office of State Budget and Management to prepare the fiscal note only after, working with the Office, it has exhausted all resources, internal and external, to otherwise prepare the required fiscal note. If an agency requests the Office of State Budget and Management to prepare a fiscal note for a proposed rule change, that Office must prepare the note within 90 days after receiving a written request for the note. If the Office of State Budget and Management fails to prepare a fiscal note within this time period, the agency proposing the rule change shall prepare a fiscal note. A fiscal note prepared in this circumstance does not require approval of the Office of State Budget and Management.

If an agency prepares the required fiscal note, the agency must submit the note to the Office of State Budget and Management for review. The Office of State Budget and Management shall review the fiscal note within 14 days after it is submitted and either approve the note or inform the agency in writing of the reasons why it does not approve the fiscal note. After addressing these reasons, the agency may submit the revised fiscal note to that Office for its review. If an agency is not sure whether a proposed rule change would have a substantial economic impact, the agency shall ask the Office of State Budget and Management to determine whether the proposed rule change has a substantial economic impact. Failure to prepare or obtain approval of the fiscal note as required by this subsection shall be a basis for objection to the rule under G.S. 150B-21.9(a)(4).

As used in this subsection, the term "substantial economic impact" means an aggregate financial impact on all persons affected of at least one million dollars ($1,000,000) in a 12-month period. In analyzing substantial economic impact, an agency shall do the following:

1. Determine and identify the appropriate time frame of the analysis.
2. Assess the baseline conditions against which the proposed rule is to be measured.
3. Describe the persons who would be subject to the proposed rule and the type of expenditures these persons would be required to make.
4. Estimate any additional costs that would be created by implementation of the proposed rule by measuring the incremental difference between the baseline and the future condition expected after implementation of the rule. The analysis should include direct costs as well as opportunity costs. Cost estimates must be monetized to the greatest extent possible. Where costs are not monetized, they must be listed and described.
5. For costs that occur in the future, the agency shall determine the net present value of the costs by using a discount factor of seven percent (7%).

(b2) Content. – A fiscal note required by subsection (b1) of this section must contain the following:

1. A description of the persons who would be affected by the proposed rule change.
2. A description of the types of expenditures that persons affected by the proposed rule change would have to make to comply with the rule and an estimate of these expenditures.
3. A description of the purpose and benefits of the proposed rule change.
4. An explanation of how the estimate of expenditures was computed.
5. A description of at least two alternatives to the proposed rule that were considered by the agency and the reason the alternatives were rejected. The alternatives may have been identified by the agency or by members of the public.

(c) Errors. – An erroneous fiscal note prepared in good faith does not affect the validity of a rule.

(d) If an agency proposes the repeal of an existing rule, the agency is not required to prepare a fiscal note on the proposed rule change as provided by this section.

§ 150B-21.5. Circumstances when notice and rule-making hearing not required.

(a) Amendment. -- An agency is not required to publish a notice of text in the North Carolina Register or hold a public hearing when it proposes to amend a rule to do one of the following:

1. Reletter or renumber the rule or subparts of the rule.
2. Substitute one name for another when an organization or position is renamed.
3. Correct a citation in the rule to another rule or law when the citation has become inaccurate since the rule was adopted because of the repeal or renumbering of the cited rule or law.
4. Change information that is readily available to the public, such as an address or a telephone number.
6. Change a rule in response to a request or an objection by the Commission, unless the Commission determines that the change is substantial.

(b) Repeal. -- An agency is not required to publish a notice of text in the North Carolina Register or hold a public hearing when it proposes to repeal a rule as a result of any of the following:

1. The law under which the rule was adopted is repealed.
2. The law under which the rule was adopted or the rule itself is declared unconstitutional.
3. The rule is declared to be in excess of the agency's statutory authority.

(c) OSHA Standard. -- The Occupational Safety and Health Division of the Department of Labor is not required to publish a notice of text in the North Carolina Register or hold a public hearing when it proposes to adopt a rule that concerns an occupational safety and health standard and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor. The Occupational Safety and Health Division is not required to submit to the Commission for review a rule for which notice and hearing is not required under this subsection.
(d) State Building Code. -- The Building Code Council is not required to publish a notice of text in the North Carolina Register when it proposes to adopt a rule that concerns the North Carolina State Building Code. The Building Code Council is required to publish a notice in the North Carolina Register when it proposes to adopt a rule that concerns the North Carolina State Building Code. The notice must include all of the following:
   (1) A statement of the subject matter of the proposed rule making.
   (2) A short explanation of the reason for the proposed action.
   (3) A citation to the law that gives the agency the authority to adopt a rule on the subject matter of the proposed rule making.
   (4) The person to whom questions or written comments may be submitted on the subject matter of the proposed rule making.

The Building Code Council is required to submit to the Commission for review a rule for which notice of text is not required under this subsection. In adopting a rule, the Council shall comply with the procedural requirements of G.S. 150B-21.3.

An agency may incorporate the following material by reference in a rule without repeating the text of the referenced material:

(1) Another rule or part of a rule adopted by the agency.
(2) All or part of a code, standard, or regulation adopted by another agency, the federal government, or a generally recognized organization or association.
(3) Repealed by Session Law 1997-34, s 5, effective April 30, 1997.

In incorporating material by reference, the agency must designate in the rule whether or not the incorporation includes subsequent amendments and editions of the referenced material. The agency can change this designation only by a subsequent rule-making proceeding. The agency must have copies of the incorporated material available for inspection and must specify in the rule both where copies of the material can be obtained and the cost on the date the rule is adopted of a copy of the material.

A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(b) is a statement that the rule includes subsequent amendments and editions of the referenced material. A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(c) is a statement that the rule includes subsequent amendments and editions of the referenced material.

§ 150B-21.7. Effect of transfer of duties or termination of agency on rules.

(a) When a law that authorizes an agency to adopt a rule is repealed and another law gives the same or another agency substantially the same authority to adopt a rule, the rule remains in effect until the agency with authority over the rule amends or repeals the rule. When a law that authorizes an agency to adopt a rule is repealed and another law does not give the same or another agency substantially the same authority to adopt a rule, a rule adopted under the repealed law is repealed as of the date the law is repealed. The agency that adopted the rule shall notify the Codifier of Rules that the rule is repealed pursuant to this subsection.

(b) When an executive order abolishes part or all of an agency and transfers a function of that agency to another agency, a rule concerning the transferred function remains in effect until the agency to which the function is transferred amends or repeals the rule. When an executive order abolishes part or all of an agency and does not transfer a function of that agency to another agency, a rule concerning a function abolished by the executive order is repealed as of the effective date of the executive order. The agency that adopted the rule shall notify the Codifier of Rules that the rule is repealed pursuant to this subsection.

(c) When notified of a rule repealed under this section, the Codifier of Rules must enter the repeal of the rule in the North Carolina Administrative Code.

(a) Emergency Rule. -- The Commission does not review an emergency rule.

(b) Temporary and Permanent Rules. -- An agency must submit temporary and permanent rules adopted by it to the Commission before the rule can be included in the North Carolina Administrative Code. The Commission reviews a temporary or permanent rule in accordance with the standards in G.S. 150B-21.9 and follows the procedure in this Part in its review of a rule.

(c) Scope. -- When the Commission reviews an amendment to a permanent rule, it may review the entire rule that is being amended. The procedure in G.S. 150B-21.12 applies when the Commission objects to a part of a permanent rule that is within its scope of review but is not changed by a rule amendment.

(d) Judicial Review. -- When the Commission returns a permanent rule to an agency in accordance with G.S. 150B-21.12(d), the agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes.

(a) Standards. -- The Commission must determine whether a rule meets all of the following criteria:
   (1) It is within the authority delegated to the agency by the General Assembly.
   (2) It is clear and unambiguous.
   (3) It is reasonably necessary to implement or interpret an enactment of the General Assembly, or of Congress, or a regulation of a federal agency. The Commission shall consider the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed.
   (4) It was adopted in accordance with Part 2 of this Article.

The Commission shall not consider questions relating to the quality or efficacy of the rule but shall restrict its review to determination of the standards set forth in this subsection.

The Commission may ask the Office of State Budget and Management to determine if a rule has a substantial economic impact and is therefore required to have a fiscal note. The
Commission must ask the Office of State Budget and Management to make this determination if a fiscal note was not prepared for a rule and the Commission receives a written request for a determination of whether the rule has a substantial economic impact.

(a1) Entry of a rule in the North Carolina Administrative Code after review by the Commission creates a rebuttable presumption that the rule was adopted in accordance with Part 2 of this Article.

(b) Timetable. -- The Commission must review a permanent rule submitted to it on or before the twentieth of a month by the last day of the next month. The Commission must review a rule submitted to it after the twentieth of a month by the last day of the second subsequent month. The Commission must review a temporary rule in accordance with the timetable and procedure set forth in G.S. 150B-21.1.

At the first meeting at which a permanent rule is before the Commission for review, the Commission must take one of the following actions:

(1) Approve the rule, if the Commission determines that the rule meets the standards for review.

(2) Object to the rule, if the Commission determines that the rule does not meet the standards for review.

(3) Extend the period for reviewing the rule, if the Commission determines it needs additional information on the rule to be able to decide whether the rule meets the standards for review.

In reviewing a new rule or an amendment to an existing rule, the Commission may request an agency to make technical changes to the rule and may condition its approval of the rule on the agency's making the requested technical changes.

§ 150B-21.11. Procedure when Commission approves permanent rule.
When the Commission approves a permanent rule, it must notify the agency that adopted the Commission's approval, and deliver the approved rule to the Codifier of Rules.

If the approved rule will increase or decrease expenditures or revenues of a unit of local government, the Commission must notify the Governor of the Commission's approval of the rule and deliver a copy of the approved rule to the Governor by the end of the month in which the Commission approved the rule.

(a) Action. -- When the Commission objects to a permanent rule, it must send the agency that adopted the rule a written statement of the objection and the reason for the objection. The agency that adopted the rule must take one of the following actions:

(1) Change the rule to satisfy the Commission's objection and submit the revised rule to the Commission.

(2) Submit a written response to the Commission indicating that the agency has decided not to change the rule.

(b) Time Limit. -- An agency that is not a board or commission must take one of the actions listed in subsection (a) of this section within 30 days after receiving the Commission's statement of objection. A board or commission must take one of these actions within 30 days after receiving the Commission's statement of objection or within 10 days after the board or commission's next regularly scheduled meeting, whichever comes later.

(c) Changes. -- When an agency changes a rule in response to an objection by the Commission, the Commission must determine whether the change satisfies the Commission's objection. If it does, the Commission must approve the rule. If it does not, the Commission must send the agency a written statement of the Commission's continued objection and the reason for the continued objection. The Commission must also determine whether the change is substantial. In making this determination, the Commission shall use the standards set forth in G.S. 150B-21.2(g). If the change is substantial, the revised rule shall be published and reviewed in accordance with the procedure set forth in G.S. 150B-21.1(a3) and (b).

(d) Return of Rule. -- A rule to which the Commission has objected remains under review by the Commission until the agency that adopted the rule decides not to satisfy the Commission's objection and makes a written request to the Commission to return the rule to the agency. When the Commission returns a rule to which it has objected, it must notify the Codifier of Rules of its action. If the rule that is returned would have increased or decreased expenditures or revenues of a unit of local government, the Commission must also notify the Governor of its action and must send a copy of the record of the Commission's review of the rule to the Governor. The record of review consists of the rule, the Commission's letter of objection to the rule, the agency's written response to the Commission's letter, and any other relevant documents before the Commission when it decided to object to the rule.

When the Commission extends the period for review of a permanent rule, it must notify the agency that adopted the rule of the extension and the reason for the extension. After the Commission extends the period for review of a rule, it may call a public hearing on the rule. Within 70 days after extending the period for review of a rule, the Commission must decide whether to approve the rule, object to the rule, or call a public hearing on the rule.

The Commission may call a public hearing on a rule when it extends the period for review of the rule. At the request of an agency, the Commission may call a public hearing on a rule that is not before it for review. Calling a public hearing on a rule not already before the Commission for review places the rule before the Commission for review. When the Commission decides to call a public hearing on a rule, it must publish notice of the public hearing in the North Carolina Register.

After a public hearing on a rule, the Commission must approve the rule or object to the rule in accordance with the standards and procedures in this Part. The Commission must make its decision of whether to approve or object to the rule within 70 days after the public hearing.

§ 150B-21.15: Repealed by Session Laws 1995, c. 507, s. 27.8(i), effective December 1, 1995.

§ 150B-21.16: Repealed by Session Laws 2011-398, s. 9, effective October 1, 2011, and applicable to rules adopted on or after that date.
Part 4. Publication of Code and Register.

(a) Content. — The Codifier of Rules must publish the North Carolina Register. The North Carolina Register must be published at least two times a month and must contain the following:

2. The text of proposed rules and the text of permanent rules approved by the Commission.
4. Repealed by Session Laws 2011-398, s. 10, effective October 1, 2011, and applicable to rules adopted on or after that date.
5. Executive orders of the Governor.
6. Other information the Codifier determines to be helpful to the public.

(b) Form. — When an agency publishes notice in the North Carolina Register of the proposed text of a new rule, the Codifier of Rules must publish the complete text of the proposed new rule. In publishing the text of a proposed new rule, the Codifier must indicate the rule is new by underlining the proposed text of the rule.

When an agency publishes notice in the North Carolina Register of the proposed text of an amendment to an existing rule, the Codifier must publish the complete text of the rule that is being amended unless the Codifier determines that publication of the complete text of the rule being amended is not necessary to enable the reader to understand the proposed amendment. In publishing the text of a proposed amendment to a rule, the Codifier must indicate deleted text with over strikes and added text with underlines.

When an agency publishes notice in the North Carolina Register of the proposed repeal of an existing rule, the Codifier must publish the complete text of the rule the agency proposes to repeal unless the Codifier determines that publication of the complete text of the rule being repealed is impractical. In publishing the text of a rule the agency proposes to repeal, the Codifier must indicate the rule is to be repealed.

(c) The Codifier may authorize and license the private indexing, marketing, sales, reproduction, and distribution of the Register.

The Codifier of Rules must compile all rules into a Code known as the North Carolina Administrative Code. The format and indexing of the Code must conform as nearly as practical to the format and indexing of the North Carolina General Statutes. The Codifier must publish printed copies of the Code and may publish the Code in other forms. The Codifier may authorize and license the private indexing, marketing, sales, reproduction, and distribution of the Code. The Codifier must keep superseded rules.

To be acceptable for inclusion in the North Carolina Administrative Code, a rule must:

1. Cite the law under which the rule is adopted.
2. Be signed by the head of the agency or the rule-making coordinator for the agency that adopted the rule.
3. Be in the systematic form specified by the Codifier of Rules.
4. Have been approved by the Commission, if the rule is a permanent rule.
5. Have complied with the provisions of G.S. 12-3.1, if the rule establishes a new fee or increases an existing fee.

§ 150B-21.20. Codifier's authority to revise form of rules.
(a) Authority. — After consulting with the agency that adopted the rule, the Codifier of Rules may revise the form of a rule submitted for inclusion in the North Carolina Administrative Code to do one or more of the following:

1. Rearrange the order of the rule in the Code or the order of the subsections, subdivisions, or other subparts of the rule.
2. Provide a catch line or heading for the rule or revise the catch line or heading of the rule.
3. Reletter or renumber the rule or the subparts of the rule in accordance with a uniform system.
4. Rearrange definitions and lists.
5. Make other changes in arrangement or in form that do not change the substance of the rule and are necessary or desirable for a clear and orderly arrangement of the rule.
6. Omit from the published rule a map, a diagram, an illustration, a chart, or other graphic material, if the Codifier of Rules determines that the Office of Administrative Hearings does not have the capability to publish the material or that publication of the material is not practicable. When the Codifier of Rules omits graphic material from the published rule, the Codifier must insert a reference to the omitted material and information on how to obtain a copy of the omitted material.

(b) Effect. — Revision of a rule by the Codifier of Rules under this section does not affect the effective date of the rule or require the agency to readopt or resubmit the rule. When the Codifier of Rules revises the form of a rule, the Codifier of Rules must send the agency that adopted the rule a copy of the revised rule. The revised rule is the official rule, unless the rule was revised under subdivision (a)(6) of this section to omit graphic material. When a rule is revised under that subdivision, the official rule is the published text of the rule plus the graphic material that was not published.

(a) State Bar. — The North Carolina State Bar must submit a rule adopted or approved by it and entered in the minutes of the North Carolina Supreme Court to the Codifier of Rules for inclusion in the North Carolina Administrative Code. The State Bar must submit a rule within 30 days after it is entered in the minutes of the Supreme Court. The Codifier of Rules must
compile, make available for public inspection, and publish a rule included in the North Carolina Administrative Code under this subsection in the same manner as other rules in the Code.

(b) Exempt Agencies. — Notwithstanding any other provision of law, an agency that is exempted from this Article by G.S. 150B-1 or any other statute must submit a temporary or permanent rule adopted by it to the Codifier of Rules for inclusion in the North Carolina Administrative Code. These exempt agencies must submit a rule to the Codifier of Rules within 30 days after adopting the rule.

(c) Publication. — A rule submitted to the Codifier of Rules under this section must be in the physical form specified by the Codifier of Rules. The Codifier of Rules must compile, make available for public inspection, and publish a rule submitted under this section in the same manner as other rules in the North Carolina Administrative Code.

Official or judicial notice can be taken of a rule in the North Carolina Administrative Code and shall be taken when appropriate.

§ 150B-21.23: Repealed by Session Laws 2011-398, s. 13, effective October 1, 2011, and applicable to rules adopted on or after that date.

(a) Register. — The Codifier of Rules shall make available the North Carolina Register on the Internet at no charge.

(b) Code. — The Codifier of Rules shall make available the North Carolina Administrative Code on the Internet at no charge.

A person who is not entitled to a free copy of the North Carolina Administrative Code or North Carolina Register may obtain a copy by paying a fee set by the Codifier of Rules. The Codifier must set separate fees for the North Carolina Register and the North Carolina Administrative Code in amounts that cover publication, copying, and mailing costs. All monies received under this section must be credited to the General Fund.

Part 5. Rules Affecting Local Governments.

(a) Preliminary Review. — At least 60 days before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would affect the expenditures or revenues of a unit of local government, the agency must submit all of the following to the Office of State Budget and Management for preliminary review:

(1) The text of the proposed rule change.

(2) A short explanation of the reason for the proposed change.

(3) A fiscal note stating the amount by which the proposed rule change would increase or decrease expenditures or revenues of a unit of local government and explaining how the amount was computed.

(b) Scope. — The preliminary review of a proposed permanent rule change that would affect the expenditures or revenues of a unit of local government shall include consideration of the following:

(1) The agency’s explanation of the reason for the proposed change.

(2) Any unanticipated effects of the proposed change on local government budgets.

(3) The potential costs of the proposed change weighed against the potential risks to the public of not taking the proposed change.

§ 150B-21.27. Minimizing the effects of rules on local budgets.

In adopting permanent rules that would increase or decrease the expenditures or revenues of a unit of local government, the agency shall consider the timing for implementation of the proposed rule as part of the preparation of the fiscal note required by G.S. 150B-21.4(b). If the computation of costs in a fiscal note indicates that the proposed rule change will disrupt the budget process as set out in the Local Government Budget and Fiscal Control Act, Article 3 of Chapter 159 of the General Statutes, the agency shall specify the effective date of the change as July 1 following the date the change would otherwise become effective under G.S. 150B-21.3.

§ 150B-21.28. Role of the Office of State Budget and Management.

The Office of State Budget and Management shall:

(1) Compile an annual summary of the projected fiscal impact on units of local government of State administrative rules adopted during the preceding fiscal year.

(2) Compile from information provided by each agency schedules of anticipated rule actions for the upcoming fiscal year.

(3) Provide the Governor, the General Assembly, the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities with a copy of the annual summary and schedules by no later than March 1 of each year.

Article 3.

Administrative Hearings.

§ 150B-22. Settlement; contested case.

It is the policy of this State that any dispute between an agency and another person that involves the person’s rights, duties, or privileges, including licensing or the levy of a monetary penalty, should be settled through informal procedures. In trying to reach a settlement through informal procedures, the agency may not conduct a proceeding at which sworn testimony is taken and witnesses may be cross-examined. If the agency and the other person do not agree to a resolution of the dispute through informal procedures, either the agency or the person may commence an administrative proceeding to determine the person’s rights, duties, or privileges, at which time the dispute becomes a “contested case.”

§ 150B-22.1. Special education petitions.
CHAPTER 150B

THE ADMINISTRATIVE PROCEDURE ACT

(a) Notwithstanding any other provision of this Chapter, timelines and other procedural safeguards required to be provided under IDEA and Article 9 of Chapter 115C of the General Statutes must be followed in an impartial due process hearing initiated when a petition is filed under G.S. 115C-109.6 with the Office of Administrative Hearings.

(b) The administrative law judge who conducts a hearing under G.S. 115C-109.6 shall not be a person who has a personal or professional interest that conflicts with the judge's objectivity in the hearing. Furthermore, the judge must possess knowledge of, and the ability to understand, IDEA and legal interpretations of IDEA by federal and State courts. The judges are encouraged to participate in training developed and provided by the State Board of Education under G.S. 115C-107.2(h).

(c) For the purpose of this section, the term "IDEA" means The Individuals with Disabilities Education Improvement Act, 20 U.S.C. § 1400, et seq., (2004), as amended, and its regulations.

§ 150B-23. Commencement; assignment of administrative law judge; hearing required; notice; intervention.

(a) A contested case shall be commenced by paying a fee in an amount established in G.S. 150B-23.2 and by filing a petition with the Office of Administrative Hearings and, except as provided in Article 3A of this Chapter, shall be conducted by that Office. The party who files the petition shall serve a copy of the petition on all other parties and, if the dispute concerns a license, the person who holds the license. A party who files a petition shall file a certificate of service together with the petition. A petition shall be signed by a party, an attorney representing a party, or other representative of the party as may specifically be authorized by law, and, if filed by a party other than an agency, shall state facts tending to establish that the agency named as the respondent has deprived the petitioner of property, has ordered the petitioner to pay a fine or civil penalty, or has otherwise substantially prejudiced the petitioner's rights and that the agency:

1. Exceeded its authority or jurisdiction;
2. Acted erroneously;
3. Failed to use proper procedure;
4. Acted arbitrarily or capriciously; or
5. Failed to act as required by law or rule.

The parties in a contested case shall be given an opportunity for a hearing without undue delay. Any person aggrieved may commence a contested case hereunder.

A local government employee, applicant for employment, or former employee to whom Chapter 126 of the General Statutes applies may commence a contested case under this Article in the same manner as any other petitioner. The case shall be conducted in the same manner as other contested cases under this Article.

A business entity may represent itself using a nonattorney representative who is one or more of the following of the business entity: (i) officer, (ii) manager or member-manager, if the business entity is a limited liability company, (iii) employee whose income is reported on IRS Form W-2, if the business entity authorizes the representation in writing, or (iv) owner of the business entity, if the business entity authorizes the representation in writing and if the owner's interest in the business entity is at least twenty-five percent (25%). Authority for and prior notice of nonattorney representation shall be made in writing, under penalty of perjury, to the Office on a form provided by the Office.

(a2) An administrative law judge assigned to a contested case may require a party to the case to file a prehearing statement. A party's prehearing statement must be served on all other parties to the contested case.

(a3) A Medicaid enrollee, or network provider authorized in writing to act on behalf of the enrollee, who appeals a notice of resolution issued by an LME/MCO under Chapter 108D of the General Statutes may commence a contested case under this Article in the same manner as any other petitioner. The case shall be conducted in the same manner as other contested cases under this Article. Solely and only for the purposes of contested cases commenced as Medicaid managed care enrollee appeals under Chapter 108D of the General Statutes, an LME/MCO is considered an agency as defined in G.S. 150B-2(1a). The LME/MCO shall not be considered an agency for any other purpose.

(a4) If an agency fails to take any required action within the time period specified by law, any person whose rights are substantially prejudiced by the agency's failure to act may commence a contested case in accordance with this section seeking an order that the agency act as required by law. If the administrative law judge finds that the agency has failed to act as required by law, the administrative law judge may order that the agency take the required action within a specified time period.

(b) The parties to a contested case shall be given a notice of hearing not less than 15 days before the hearing by the Office of Administrative Hearings. If prehearing statements have been filed in the case, the notice shall state the date, hour, and place of the hearing. If prehearing statements have not been filed in the case, the notice shall state the date, hour, place, and nature of the hearing, shall list the particular sections of the statutes and rules involved, and shall give a short and plain statement of the factual allegations.

(c) Notice shall be given by one of the methods for service of process under G.S. 1A-1, Rule 4(j) or Rule 4(j3). If given by registered or certified mail, by signature confirmation as provided by the United States Postal Service, or by designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, notice shall be deemed to have been given on the delivery date appearing on the return receipt, copy of the proof of delivery provided by the United States Postal Service, or delivery receipt. If giving of notice cannot be accomplished by a method under G.S. 1A-1, Rule 4(j) or Rule 4(j3), notice shall then be given in the manner provided in G.S. 1A-1, Rule 4(j1).

(d) Any person may petition to become a party by filing a motion to intervene in the manner provided in G.S. 1A-1, Rule 24. In addition, any person interested in a contested case may intervene and participate in that proceeding to the extent deemed appropriate by the administrative law judge.

(e) All hearings under this Chapter shall be open to the public. Hearings shall be conducted in an impartial manner. Hearings shall be conducted according to the procedures set out in this Article, except to the extent and in the particulars that
specific hearing procedures and time standards are governed by another statute.

(f) Unless another statute or a federal statute or regulation sets a time limitation for the filing of a petition in contested cases against a specified agency, the general limitation for the filing of a petition in a contested case is 60 days. The time limitation, whether established by another statute, federal statute, or federal regulation, or this section, shall commence when notice is given of the agency decision to all persons aggrieved who are known to the agency by personal delivery or by the placing of the notice in an official depository of the United States Postal Service wrapped in a wrapper addressed to the person at the latest address given by the person to the agency. The notice shall be in writing, and shall set forth the agency action, and shall inform the persons of the right, the procedure, and the time limit to file a contested case petition. When no informal settlement request has been received by the agency prior to issuance of the notice, any subsequent informal settlement request shall not suspend the time limitation for the filing of a petition for a contested case hearing.

(g) Where multiple licenses are required from an agency for a single activity, the Secretary or chief administrative officer of the agency may issue a written determination that the administrative decision reviewable under Article 3 of this Chapter occurs on the date the last license for the activity is issued, denied, or otherwise disposed of. The written determination of the administrative decision is not reviewable under this Article. Any licenses issued for the activity prior to the date of the last license identified in the written determination are not reviewable under this Article until the last license for the activity is issued, denied, or otherwise disposed of. A contested case challenging the last license decision for the activity may include challenges to agency decisions on any of the previous licenses required for the activity.

§ 150B-23.1. Mediated settlement conferences.

(a) Purpose. -- This section authorizes a mediation program in the Office of Administrative Hearings in which the chief administrative law judge may require the parties in a contested case to attend a prehearing settlement conference conducted by a mediator. The purpose of the program is to determine whether a system of mediated settlement conferences may make the operation of the Office of Administrative Hearings more efficient, less costly, and more satisfying to the parties.

(b) Definitions. -- The following definitions apply in this section:

(1) Mediated settlement conference. -- A conference ordered by the chief administrative law judge involving the parties to a contested case and conducted by a mediator prior to a contested case hearing.

(2) Mediator. -- A neutral person who acts to encourage and facilitate a resolution of a contested case but who does not make a decision on the merits of the contested case.

(c) Conference. -- The chief administrative law judge may order a mediated settlement conference for all or any part of a contested case to which an administrative law judge is assigned to preside. All aspects of the mediated settlement conference shall be conducted insofar as possible in accordance with the rules adopted by the Supreme Court for the court-ordered mediation pilot program under G.S. 7A-38.

(d) Attendance. -- The parties to a contested case in which a mediated settlement conference is ordered, their attorneys, and other persons having authority to settle the parties' claims shall attend the settlement conference unless excused by the presiding administrative law judge.

(e) Mediator. -- The parties shall have the right to stipulate to a mediator. Upon the failure of the parties to agree within a time limit established by the presiding administrative law judge, a mediator shall be appointed by the presiding administrative law judge.

(f) Sanctions. -- Upon failure of a party or a party's attorney to attend a mediated settlement conference ordered under this section, the presiding administrative law judge may impose any sanction authorized by G.S. 150B-33(b)(8) or (10).

(g) Standards. -- Mediators authorized to conduct mediated settlement conferences under this section shall comply with the standards adopted by the Supreme Court for the court-ordered mediation pilot program under G.S. 7A-38.

(h) Immunity. -- A mediator acting pursuant to this section shall have judicial immunity in the same manner and to the same extent as a judge of the General Court of Justice.

(i) Costs. -- Costs of a mediated settlement conference shall be paid one share by the petitioner, one share by the respondent, and an equal share by any intervenor, unless otherwise apportioned by the administrative law judge.

(j) Inadmissibility of Negotiations. -- All conduct or communications made during a mediated settlement conference are presumed to be made in compromise negotiations and shall be governed by Rule 408 of the North Carolina Rules of Evidence.

(k) Right to Hearing. -- Nothing in this section restricts the right to a contested case hearing.

§ 150B-23.2. Fee for filing a contested case hearing.

(a) Filing Fee. -- In every contested case commenced in the Office of Administrative Hearings by a person aggrieved, the petitioner shall pay a filing fee, and the administrative law judge shall have the authority to assess that filing fee against the losing party, in the amount of one hundred twenty-five dollars ($125.00), unless the Office of Administrative Hearings establishes a lesser filing fee by rule.

(b) Time of Collection. -- All fees that are required to be assessed, collected, and remitted under subsection (a) of this section shall be collected by the Office of Administrative Hearings at the time of commencement of the contested case except as may be allowed by rule to permit or complete late payment or in suits in forma pauperis.

(c) Forms of Payment. -- The Office of Administrative Hearings may by rule provide for the acceptable forms for payment and transmission of the filing fee.

(d) Waiver or Refund. -- The Office of Administrative Hearings shall by rule provide for the fee to be waived in a contested case in which the petition is filed in forma pauperis and supported by such proofs as are required in G.S. 1-110 and in a contested case involving a mandated federal cause of action. The Office of Administrative Hearings shall by rule provide for the fee to be refunded in a contested case in which the losing party is the State.

§ 150B-23.3. Electronic filing.
In addition to any other method specified in G.S. 150B-23, documents filed and served in a contested case may be filed and served electronically by means of an Electronic Filing Service Provider. For purposes of this section, the following definitions apply:

1. Electronic filing means the electronic transmission of the petition, notice of hearing, pleadings, or any other documents filed in a contested case with the Office of Administrative Hearings, as further defined by rules adopted by the Office of Administrative Hearings.

2. Electronic Filing Service Provider (EFSP) means the service provided by the Office of Administrative Hearings for e-filing and e-service of documents via the Internet.

3. Electronic service means the electronic transmission of the petition, notice of hearing, pleadings, or any other documents in a contested case, as further defined by rules adopted by the Office of Administrative Hearings.

(a) The hearing of a contested case shall be conducted:

(1) In the county in this State in which any person whose property or rights are the subject matter of the hearing maintains his residence;

(2) In the county where the agency maintains its principal office if the property or rights that are the subject matter of the hearing do not affect any person or if the subject matter of the hearing is the property or rights of residents of more than one county;

(3) In any county determined by the administrative law judge in his discretion to promote the ends of justice or better serve the convenience of witnesses.

(b) Any person whose property or rights are the subject matter of the hearing waives his objection to venue by proceeding in the hearing.

§ 150B-25. Conduct of hearing; answer.

(a) If a party fails to appear in a contested case after proper service of notice, and if no adjournment or continuance is granted, the administrative law judge may proceed with the hearing in the absence of the party.

(b) Repealed by Session Laws 1991, c. 35, s. 2, effective October 1, 1991.

(c) The parties shall be given an opportunity to present arguments on issues of law and policy and an opportunity to present evidence on issues of fact.

(d) A party may cross-examine any witness, including the author of a document prepared by, on behalf of, or for use of the agency and offered in evidence. Any party may submit rebuttal evidence.

When contested cases involving a common question of law or fact or multiple proceedings involving the same or related parties are pending, the Director of the Office of Administrative Hearings may order a joint hearing of any matters at issue in the cases, order the cases consolidated, or make other orders to reduce costs or delay in the proceedings.

§ 150B-27. Subpoena.

After the commencement of a contested case, subpoenas may be issued and served in accordance with G.S. 1A-1, Rule 45. In addition to the methods of service in G.S. 1A-1, Rule 45, a State law enforcement officer may serve a subpoena on behalf of an agency that is a party to the contested case by any method by which a sheriff may serve a subpoena under that Rule. Upon a motion, the administrative law judge may quash a subpoena if, upon a hearing, the administrative law judge finds that the evidence the production of which is required does not relate to a matter in issue, the subpoena does not describe with sufficient particularity the evidence the production of which is required, or for any other reason sufficient in law the subpoena may be quashed.

Witness fees shall be paid by the party requesting the subpoena to subpoenaed witnesses in accordance with G.S. 7A-314. However, State officials or employees who are subpoenaed shall not be entitled to witness fees, but they shall receive their normal salary and they shall not be required to take any annual leave for the witness days. Travel expenses of State officials or employees who are subpoenaed shall be reimbursed as provided in G.S. 138-6.

(a) A deposition may be used in lieu of other evidence when taken in compliance with the Rules of Civil Procedure, G.S. 1A-1. Parties in contested cases may engage in discovery pursuant to the provisions of the Rules of Civil Procedure, G.S. 1A-1.

(a) In all contested cases, irrelevant, immaterial and unduly repetitious evidence shall be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division of the General Court of Justice shall be followed; but, when evidence is not reasonably available under the rules to show relevant facts, then the most reliable and substantial evidence available shall be admitted. On the judge's own motion, an administrative law judge may exclude evidence that is inadmissible under this section. The party with the burden of proof in a contested case must establish the facts required by G.S. 150B-23(a) by a preponderance of the evidence. It shall not be necessary for a party or his attorney to object at the hearing to evidence in order to preserve the right to object to its consideration by the administrative law judge in making a decision or by the court on judicial review.

(b) Evidence in a contested case, including records and documents, shall be offered and made a part of the record. Factual information or evidence not made a part of the record shall not be considered in the determination of the case, except as permitted under G.S. 150B-30. Documentary evidence may be received in the form of a copy or excerpt or may be incorporated by reference, if the materials so incorporated are available for examination by the parties. Upon timely request, a party shall be given an opportunity to compare the copy with the original if available.

§ 150B-30. Official notice.

Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge of the agency. The noticed fact and its source shall be stated and made known to affected parties at the earliest practicable time, and any party shall on timely request be afforded an opportunity to dispute the noticed fact through submission of evidence and argument.

§ 150B-31. Stipulations.
(a) The parties in a contested case may, by a stipulation in writing filed with the administrative law judge, agree upon any fact involved in the controversy, which stipulation shall be used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon facts when practicable.

(b) Except as otherwise provided by law, disposition may be made of a contested case by stipulation, agreed settlement, consent order, waiver, default, or other method agreed upon by the parties.

§ 150B-31.1. Contested tax cases.

(a) Application. – This section applies only to contested tax cases. A contested tax case is a case involving a disputed tax matter arising under G.S. 105-241.15. To the extent any provision in this section conflicts with another provision in this Article, this section controls.

(b) Simple Procedures. – The Chief Administrative Law Judge may limit and simplify the procedures that apply to a contested tax case involving a taxpayer who is not represented by an attorney. An administrative law judge assigned to a contested tax case must make reasonable efforts to assist a taxpayer who is not represented by an attorney in order to assure a fair hearing.

(c) Venue. – A hearing in a contested tax case must be conducted in Wake County, unless the parties agree to hear the case in another county.

(d) Reports. – The following agency reports are admissible without testimony from personnel of the agency:

1. Law enforcement reports.
2. Government agency lab reports used for the enforcement of motor fuel tax laws.

(e) Confidentiality. – The record, proceedings, and decision in a contested tax case are confidential until the final decision is issued in the case.

§ 150B-32. Designation of administrative law judge.

(a) The Director of the Office of Administrative Hearings shall assign himself or another administrative law judge to preside over a contested case.

(b) On the filing in good faith by a party of a timely and sufficient affidavit of personal bias or disqualification of an administrative law judge, the administrative law judge shall determine the matter as a part of the record in the case, and this determination shall be subject to judicial review at the conclusion of the proceeding.

(c) When an administrative law judge is disqualified or it is impracticable for him to continue the hearing, the Director shall assign another administrative law judge to continue with the case unless it is shown that substantial prejudice to any party will result, in which event a new hearing shall be held or the case dismissed without prejudice.

§ 150B-33. Powers of administrative law judge.

(a) An administrative law judge shall stay any contested case under this Article on motion of an agency which is a party to the contested case, if the agency shows by supporting affidavits that it is engaged in other litigation or administrative proceedings, by whatever name called, with or before a federal agency, and this other litigation or administrative proceedings will determine the position, in whole or in part, of the agency in the contested case. At the conclusion of the other litigation or administrative proceedings, the contested case shall proceed and be determined as expeditiously as possible.

(b) An administrative law judge may:

1. Administer oaths and affirmations;
2. Sign, issue, and rule on subpoenas in accordance with G.S. 150B-27 and G.S. 1A-1, Rule 45;
3. Provide for the taking of testimony by deposition and rule on all objections to discovery in accordance with G.S. 1A-1, the Rules of Civil Procedure;

§ 150B-34. Final decision or order.

(a) In each contested case the administrative law judge shall make a final decision or order that contains findings of fact and conclusions of law. The administrative law judge shall decide the case based upon the preponderance of the evidence, giving due regard to the demonstrated knowledge and expertise of the
agency with respect to facts and inferences within the specialized knowledge of the agency.

(b) Repealed by Session Laws 1991, c. 35, s. 6.

(c) Repealed by Session Laws 2011-398, s. 18 effective January 1, 2012.

(d) Except for the exemptions contained in G.S. 150B-1, the provisions of this section regarding the decision of the administrative law judge shall apply only to agencies subject to Article 3 of this Chapter, notwithstanding any other provisions to the contrary relating to recommended decisions by administrative law judges.

(e) An administrative law judge may grant judgment on the pleadings, pursuant to a motion made in accordance with G.S. 1A-1, Rule 12(c), or summary judgment, pursuant to a motion made in accordance with G.S. 1A-1, Rule 56, that disposes of all issues in the contested case. Notwithstanding subsection (a) of this section, a decision granting a motion for judgment on the pleadings or summary judgment need not include findings of fact or conclusions of law, except as determined by the administrative law judge to be required or allowed by G.S. 1A-1, Rule 12(c), or Rule 56.

§ 150B-35. No ex parte communication; exceptions.

Unless required for disposition of an ex parte matter authorized by law, the administrative law judge assigned to a contested case may not communicate, directly or indirectly, in connection with any issue of fact, or question of law, with any person or party or his representative, except on notice and opportunity for all parties to participate.

§ 150B-37. Official record.

(a) In a contested case, the Office of Administrative Hearings shall prepare an official record of the case that includes:

1. Notices, pleadings, motions, and intermediate rulings;
2. Questions and offers of proof, objections, and rulings thereon;
3. Evidence presented;
4. Matters officially noticed, except matters so obvious that a statement of them would serve no useful purpose; and
5. Repealed by Session Laws 1987, c. 878, s. 25.
6. The administrative law judge's final decision or order.

(b) Proceedings at which oral evidence is presented shall be recorded, but need not be transcribed unless requested by a party. Each party shall bear the cost of the transcript or part thereof or copy of said transcript or part thereof which said party requests, and said transcript or part thereof shall be added to the official record as an exhibit.

(c) The Office of Administrative Hearings shall forward a copy of the administrative law judge's final decision to each party.

Article 3A.
Other Administrative Hearings.

§ 150B-38. Scope; hearing required; notice; venue.

(a) The provisions of this Article shall apply to:

1. Occupational licensing agencies.
2. The State Banking Commission, the Commissioner of Banks, and the Credit Union Division of the Department of Commerce.
3. The Department of Insurance and the Commissioner of Insurance.
4. The State Chief Information Officer in the administration of the provisions of Article 3D of Chapter 147 of the General Statutes.
6. The State Board of Elections in the administration of any investigation or audit under the provisions of Article 22A of Chapter 163 of the General Statutes.

(b) Prior to any agency action in a contested case, the agency shall give the parties in the case an opportunity for a hearing without undue delay and notice not less than 15 days before the hearing. Notice to the parties shall include:

1. A statement of the date, hour, place, and nature of the hearing;
2. A reference to the particular sections of the statutes and rules involved; and

(c) Notice shall be given by one of the methods for service of process under G.S. 1A-1, Rule 4(j) or Rule 4(j3). If given by registered or certified mail, by signature confirmation as provided by the United States Postal Service, or by designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, notice shall be deemed to have been given on the delivery date appearing on the return receipt, copy of proof of delivery provided by the United States Postal Service, or delivery receipt. If notice cannot be given by one of the methods for service of process under G.S. 1A-1, Rule 4(j) or Rule 4(j3), then notice shall be given in the manner provided in G.S. 1A-1, Rule 4(j1).

(d) A party who has been served with a notice of hearing may file a written response with the agency. If a written response is filed, a copy of the response must be mailed to all other parties not less than 10 days before the date set for the hearing.

(e) All hearings conducted under this Article shall be open to the public. A hearing conducted by the agency shall be held in the county where the agency maintains its principal office. A hearing conducted for the agency by an administrative law judge requested under G.S. 150B-40 shall be held in a county in this State where any person whose property or rights are the subject matter of the hearing resides. If a different venue would promote the ends of justice or better serve the convenience of witnesses, the agency or the administrative law judge may designate another county. A person whose property or rights are the subject matter of the hearing waives his objection to venue if he proceeds in the hearing.

(f) Any person may petition to become a party by filing with the agency or hearing officer a motion to intervene in the manner provided by G.S. 1A-1, Rule 24. In addition, any person interested in a contested case under this Article may intervene and participate to the extent deemed appropriate by the agency hearing officer.

(g) When contested cases involving a common question of law or fact or multiple proceedings involving the same or related parties are pending before an agency, the agency may order a joint hearing of any matters at issue in the cases, order the cases
consolidated, or make other orders to reduce costs or delay in the proceedings.

(h) Every agency shall adopt rules governing the conduct of hearings that are consistent with the provisions of this Article.

§ 150B-39. Depositions; discovery; subpoenas.

(a) A deposition may be used in lieu of other evidence when taken in compliance with the Rules of Civil Procedure, G.S. 1A-1. Parties in a contested case may engage in discovery pursuant to the provisions of the Rules of Civil Procedure, G.S. 1A-1.

(b) Upon a request for an identifiable agency record involving a material fact in a contested case, the agency shall promptly provide the record to a party, unless the record relates solely to the agency's internal procedures or is exempt from disclosure by law.

(c) In preparation for, or in the conduct of, a contested case subpoenas may be issued and served in accordance with G.S. 1A-1, Rule 45. Upon a motion, the agency may quash a subpoena if, upon a hearing, the agency finds that the evidence, the production of which is required, does not relate to a matter in issue, the subpoena does not describe with sufficient particularity the evidence the production of which is required, or for any other reason sufficient in law the subpoena may be quashed. Witness fees shall be paid by the party requesting the subpoena to subpoenaed witnesses in accordance with G.S. 7A-314. However, State officials or employees who are subpoenaed shall not be entitled to any witness fees, but they shall receive their normal salary and they shall not be required to take any annual leave for the witness days. Travel expenses of State officials or employees who are subpoenaed shall be reimbursed as provided in G.S. 138-6.

§ 150B-40. Conduct of hearing; presiding officer; ex parte communication.

(a) Hearings shall be conducted in a fair and impartial manner. At the hearing, the agency and the parties shall be given an opportunity to present evidence on issues of fact, examine and cross-examine witnesses, including the author of a document prepared by, on behalf of or for the use of the agency and offered into evidence, submit rebuttal evidence, and present arguments on issues of law or policy.

If a party fails to appear in a contested case after he has been given proper notice, the agency may continue the hearing or proceed with the hearing and make its decision in the absence of the party.

(b) Except as provided under subsection (e) of this section, hearings under this Article shall be conducted by a majority of the agency. An agency shall designate one or more of its members to preside at the hearing. If a party files in good faith a timely and sufficient affidavit of the personal bias or other reason for disqualification of any member of the agency, the agency shall determine the matter as a part of the record in the case, and its determination shall be subject to judicial review at the conclusion of the proceeding. If a presiding officer is disqualified or it is impracticable for him to continue the hearing, another presiding officer shall be assigned to continue with the case, except that if assignment of a new presiding officer will cause substantial prejudice to any party, a new hearing shall be held or the case dismissed without prejudice.

(c) The presiding officer may:

(1) Administer oaths and affirmations;

(2) Sign and issue subpoenas in the name of the agency, requiring attendance and giving of testimony by witnesses and the production of books, papers, and other documentary evidence;

(3) Provide for the taking of testimony by deposition;

(4) Regulate the course of the hearings, set the time and place for continued hearings, and fix the time for filing of briefs and other documents;

(5) Direct the parties to appear and confer to consider simplification of the issues by consent of the parties; and

(6) Apply to any judge of the superior court resident in the district or presiding at a term of court in the county where a hearing is pending for an order to show cause why any person should not be held in contempt of the agency and its processes, and the court shall have the power to impose punishment as for contempt for acts which would constitute direct or indirect contempt if the acts occurred in an action pending in superior court.

(d) Unless required for disposition of an ex parte matter authorized by law, a member of an agency assigned to make a decision or to make findings of fact and conclusions of law in a contested case under this Article shall not communicate, directly or indirectly, in connection with any issue of fact or question of law, with any person or party or his representative, except on notice and opportunity for all parties to participate. This prohibition begins at the time of the notice of hearing. An agency member may communicate with other members of the agency and may have the aid and advice of the agency staff other than the staff which has been or is engaged in investigating or prosecuting functions in connection with the case under consideration or a factually-related case. This section does not apply to an agency employee or party representative with professional training in accounting, actuarial science, economics or financial analysis insofar as the case involves financial practices or conditions.

(e) When a majority of an agency is unable or elects not to hear a contested case, the agency shall apply to the Director of the Office of Administrative Hearings for the designation of an administrative law judge to preside at the hearing of a contested case under this Article. Upon receipt of the application, the Director shall, without undue delay, assign an administrative law judge to hear the case.

The provisions of this Article, rather than the provisions of Article 3, shall govern a contested case in which the agency requests an administrative law judge from the Office of Administrative Hearings.

The administrative law judge assigned to hear a contested case under this Article shall sit in place of the agency and shall have the authority of the presiding officer in a contested case under this Article. The administrative law judge shall make a proposal for decision, which shall contain proposed findings of fact and proposed conclusions of law.

An administrative law judge shall stay any contested case under this Article on motion of an agency which is a party to the contested case, if the agency shows by supporting affidavits that it is engaged in other litigation or administrative proceedings, by whatever name called, with or before a federal agency, and this other litigation or administrative proceedings will determine the
position, in whole or in part, of the agency in the contested case. At the conclusion of the other litigation or administrative proceedings, the contested case shall proceed and be determined as expeditiously as possible.

The agency may make its final decision only after the administrative law judge's proposal for decision is served on the parties, and an opportunity is given to each party to file exceptions and proposed findings of fact and to present oral and written arguments to the agency.

§ 150B-41. Evidence; stipulations; official notice.

(a) In all contested cases, irrelevant, immaterial, and unduly repetitious evidence shall be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division of the General Court of Justice shall be followed; but, when evidence is not reasonably available under such rules to show relevant facts, they may be shown by the most reliable and substantial evidence available. It shall not be necessary for a party or his attorney to object to evidence at the hearing in order to preserve the right to object to its consideration by the agency in reaching its decision, or by the court of judicial review.

(b) Evidence in a contested case, including records and documents shall be offered and made a part of the record. Other factual information or evidence shall not be considered in determination of the case, except as permitted under G.S. 150B-30, subsection (d) of this section. Documentary evidence may be received in the form of a copy or excerpt or may be incorporated by reference, if the materials so incorporated are available for examination by the parties. Upon timely request, a party shall be given an opportunity to compare the copy with the original if available.

(c) The parties in a contested case under this Article by a stipulation in writing filed with the agency may agree upon any fact involved in the controversy, which stipulation shall be used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon facts when practicable. Except as otherwise provided by law, disposition may be made of a contested case by stipulation, agreed settlement, consent order, waiver, default, or other method agreed upon by the parties.

(d) Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge of the agency. The noticed fact and its source shall be stated and made known to affected parties at the earliest practicable time, and any party shall on timely request be afforded an opportunity to dispute the noticed fact through submission of evidence and argument. An agency may use its experience, technical competence, and specialized knowledge in the evaluation of evidence presented to it.

§ 150B-42. Final agency decision; official record.

(a) After compliance with the provisions of G.S. 150B-40(e), if applicable, and review of the official record, as defined in subsection (b) of this section, an agency shall make a written final decision or order in a contested case. The decision or order shall include findings of fact and conclusions of law. Findings of fact shall be based exclusively on the evidence and on matters officially noticed. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting them. A decision or order shall not be made except upon consideration of the record as a whole or such portion thereof as may be cited by any party to the proceeding and shall be supported by substantial evidence admissible under G.S. 150B-41. A copy of the decision or order shall be served upon each party by one of the methods for service of process under G.S. 1A-1, Rule 5(b). If service is by registered, certified, or first-class mail, by signature confirmation as provided by the United States Postal Service, or by designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, the copy shall be addressed to the party at the latest address given by the party to the agency. Service by one of the additional methods provided in G.S. 1A-1, Rule 5(b), is effective as provided therein and shall be accompanied by a certificate of service as provided in G.S. 1A-1, Rule 5(b1). G.S. 1A-1, Rule 6(e), applies if service is by first-class mail. A copy shall be furnished to the party's attorney of record.

(b) An agency shall prepare an official record of a hearing that shall include:

1. Notices, pleadings, motions, and intermediate rulings;
2. Questions and offers of proof, objections, and rulings thereon;
3. Evidence presented;
4. Matters officially noticed, except matters so obvious that a statement of them would serve no useful purpose;
5. Proposed findings and exceptions; and
6. Any decision, opinion, order, or report by the officer presiding at the hearing and by the agency.

(c) Proceedings at which oral evidence is presented shall be recorded, but need not be transcribed unless requested by a party. Each party shall bear the cost of the transcript or part thereof or copy of said transcript or part thereof which said party requests.

Article 4.
Judicial Review.

§ 150B-43. Right to judicial review.

Any party or person aggrieved by the final decision in a contested case, and who has exhausted all administrative remedies made available to the party or person aggrieved by statute or agency rule, is entitled to judicial review of the decision under this Article, unless adequate procedure for judicial review is provided by another statute, in which case the review shall be under such other statute. Nothing in this Chapter shall prevent any party or person aggrieved from invoking any judicial remedy available to the party or person aggrieved under the law to test the validity of any administrative action not made reviewable under this Article. Absent a specific statutory requirement, nothing in this Chapter shall require a party or person aggrieved to petition an agency for rule making or to seek or obtain a declaratory ruling before obtaining judicial review of a final decision or order made pursuant to G.S. 150B-34.

§ 150B-44. Right to judicial intervention when final decision unreasonably delayed.

Unreasonable delay on the part of any agency or administrative law judge in taking any required action shall be justification for any person whose rights, duties, or privileges are adversely affected by such delay to seek a court order compelling action by the agency or administrative law judge. Failure of an administrative law judge subject to Article 3 of this Chapter or
failure of an agency subject to Article 3A of this Chapter to make a final decision within 120 days of the close of the contested case hearing is justification for a person whose rights, duties, or privileges are adversely affected by the delay to seek a court order compelling action by the agency or by the administrative law judge. The Board of Trustees of the North Carolina State Health Plan for Teachers and State Employees is a "board" for purposes of this section.

§ 150B-45. Procedure for seeking review; waiver.
(a) Procedure. – To obtain judicial review of a final decision under this Article, the person seeking review must file a petition within 30 days after the person is served with a written copy of the decision. The petition must be filed as follows:

(1) Contested tax cases. – A petition for review of a final decision in a contested tax case arising under G.S. 105-241.15 must be filed in the Superior Court of Wake County.

(2) Other final decisions. - A petition for review of any other final decision under this Article must be filed in the superior court of the county where the person aggrieved by the administrative decision resides, or in the case of a person residing outside the State, in the county where the contested case which resulted in the final decision was filed.

(b) Waiver. – A person who fails to file a petition within the required time waives the right to judicial review under this Article. For good cause shown, however, the superior court may accept an untimely petition.

§ 150B-46. Contents of petition; copies served on all parties; intervention.
The petition shall explicitly state what exceptions are taken to the decision or procedure and what relief the petitioner seeks. Within 10 days after the petition is filed with the court, the party seeking the review shall serve copies of the petition by personal service or by certified mail upon all who were parties of record to the administrative proceedings. Names and addresses of such parties shall be furnished to the petitioner by the agency upon request. Any party to the administrative proceeding is a party to the review proceedings unless the party withdraws by notifying the court of the withdrawal and serving the other parties with notice of the withdrawal. Other parties to the proceeding may file a response to the petition within 30 days of service. Parties, including agencies, may state exceptions to the decision or procedure and what relief is sought in the response.

Any person aggrieved may petition to become a party by filing a motion to intervene as provided in G.S. 1A-1, Rule 24.

§ 150B-47. Records filed with clerk of superior court; contents of records; costs.
Within 30 days after receipt of the copy of the petition for review, or within such additional time as the court may allow, the Office of Administrative Hearings shall transmit to the reviewing court the original or a certified copy of the official record in the contested case under review. With the permission of the court, the record may be shortened by stipulation of all parties to the review proceedings. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for such additional costs as may be occasioned by the refusal. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

§ 150B-48. Stay of decision.
At any time before or during the review proceeding, the person aggrieved may apply to the reviewing court for an order staying the operation of the administrative decision pending the outcome of the review. The court may grant or deny the stay in its discretion upon such terms as it deems proper and subject to the provisions of G.S. 1A-1, Rule 65.

§ 150B-49. New evidence.
A party or person aggrieved who files a petition in the superior court may apply to the court to present additional evidence. If the court is satisfied that the evidence is material to the issues, is not merely cumulative, and could not reasonably have been presented at the administrative hearing, the court may remand the case so that additional evidence can be taken. If an administrative law judge did not make a final decision in the case, the court shall remand the case to the agency that conducted the administrative hearing under Article 3A of this Chapter. After hearing the evidence, the agency may affirm or modify its previous findings of fact and final decision. If an administrative law judge made a final decision in the case, the court shall remand the case to the administrative law judge. After hearing the evidence, the administrative law judge may affirm or modify his previous findings of fact and final decision. The additional evidence and any affirmation or modification of a final decision shall be made part of the official record.

§ 150B-50. Review by superior court without jury.
The review by a superior court of administrative decisions under this Chapter shall be conducted by the court without a jury.

§ 150B-51. Scope and standard of review.
(a), (a1) Repealed by Sessions Laws, 2011-398, s. 27 effective January 1, 2012 and applies to contested cases commenced after that date.

(b) The court reviewing a final decision may affirm the decision or remand the case for further proceedings. It may also reverse or modify the decision if the substantial rights of the petitioner may have been prejudiced because the findings, inferences, conclusions, or decisions are:

(1) In violation of constitutional provisions;
(2) In excess of the statutory authority or jurisdiction of the agency or administrative law judge;
(3) Made upon unlawful procedure;
(4) Affected by other error of law;
(5) Unsupported by substantial evidence admissible under G.S. 150B-29(a), 150B-30, or 150B-31 in view of the entire record as submitted; or
(6) Arbitrary, capricious, or an abuse of discretion.

(c) In reviewing a final decision in a contested case, the court shall determine whether the petitioner is entitled to the relief sought in the petition based upon its review of the final decision and the official record. With regard to asserted errors pursuant to subdivisions (1) through (4) of subsection (b) of this section, the court shall conduct its review of the final decision using the de novo standard of review. With regard to asserted errors pursuant to subdivisions (5) and (6) of subsection (b) of this section, the court shall conduct its review of the final decision using the whole record standard of review.

(d) In reviewing a final decision allowing judgment on the pleadings or summary judgment, the court may enter any order allowed by G.S. 1A-1, Rule 12(c) or Rule 56. If the order of the
court does not fully adjudicate the case, the court shall remand
the case to the administrative law judge for such further
proceedings as are just.

§ 150B-52. Appeal; stay of court's decision.

A party to a review proceeding in a superior court may appeal
to the appellate division from the final judgment of the superior
court as provided in G.S. 7A-27. The scope of review to be
applied by the appellate court under this section is the same as it
is for other civil cases. In cases reviewed under G.S. 150B-
51(c), the court’s findings of fact shall be upheld if supported by
substantial evidence. Pending the outcome of an appeal, an
appealing party may apply to the court that issued the judgment
under appeal for a stay of that judgment or a stay of the
administrative decision that is the subject of the appeal, as
appropriate.
