

## **Update on the Sedimentation Education Program**

### ***Presentations/Exhibits***

Evangelyn Lowery-Jacobs conducted a training session with the Army Corps of Engineers on June 23, 2011 to discuss the requirements of the Self-Inspection Program. There were approximately 30 members participating in the session held at Fort Bragg. A comparable session was conducted on July 8, 2011 with representatives from various contractors, performing utility installations at the military base.

### ***Workshops***

#### **Fall E&SC Design Workshops**

Planning for the Fall 2011 Erosion and Sedimentation Control Planning and Design Workshop is underway. Considerations are being made to conduct the workshops in strategic areas to encourage participation, in a cost effective manner.

### ***Contract Administration***

Efforts have been taken to execute contracts for Fiscal Year 2011-2012. The budget for contract proposals totaled \$111,538. Contracts have been submitted for support of three workshops for design professionals, support for the annual local program workshop and awards, and support for the continuation of the Sediments newsletter.

### ***Sedimentation Education Committee***

A Committee meeting was held on August 3, 2011 to discuss funding for Fiscal Year 2011-2012. Legislature has allocated \$137,865 for Sedimentation Education. The committee discussed possible options for education projects.
