The Sedimentation Education Committee met on May 9, 2012. Land Quality staff anticipate sedimentation education funding to remain unchanged at $135,000 for the 2012-2013 Fiscal Year.

The Erosion and Sedimentation Training Needs Assessment was presented and discussed. In response to the survey results, one-day rather than two-day workshops were proposed for the coming fiscal year.

The committee approved the following contract proposals:

- *Sediments* Newsletter $17,020
- Local Program Workshop $69,869
- Five Design Workshops
  - (one-day each) $33,374

**Total** $120,263

**Projected Funds** $135,000
