Division of Energy, Mineral, and Land Resources Land Quality Section **National Pollutant Discharge Elimination System NCG210000** Notice of Intent

This General Permit covers **STORMWATER DISCHARGES** associated with activities under the following Standard Industrial Classifications: SIC 24 [Timber Products, including Wood Chip Mills – except as specified below] and like activities deemed by DEMLR to be similar in the process and/or the exposure of raw materials, products byproducts, or waste materials. The following activities are specifically excluded from coverage under this General Permit: SIC 2434 [Wood Kitchen Cabinets], SIC 2491 [Wood Preserving], and SIC 2411 [Logging]. You can find information on the DEMLR Stormwater Program at deg.nc.gov/SW.

Directions: Print or type all entries on this application. Send the original, signed application with all required items listed in Item (6) below to: NCDEMLR Stormwater Program, 1612 MSC, Raleigh, NC 27699-1612. The submission of this application does not guarantee coverage under the General Permit. Prior to coverage under this General Permit a site inspection will be conducted.
