Division of Energy, Mineral, and Land Resources Land Quality Section Representative Outfall Status (ROS) Renewal Certification Form

Please complete this form if you want to maintain current ROS designations.

Directions: Print or type all entries on this certification form. Attach this form and a copy of the original ROS approval documentation to the [Stormwater Upload Form](#).

North Carolina General Statute 143-215.6B (i) provides that: Any person who knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained under this Article or a rule implementing this Article . . . shall be guilty of a Class 2 misdemeanor which may include a fine not to exceed ten thousand dollars (\$10,000).

Under penalty of law, I certify that:

- I, as an authorized representative, request renewal of the ROS designations currently granted to the subject facility.
- No site or activity modifications that impact the characteristics of stormwater discharges from the representative outfalls have occurred at the subject facility.
- I am familiar with the information contained in this request and to the best of my knowledge and belief such information is true, complete, and accurate.
