Air Curtain Incinerators - General Title V Air Permit

What Activities Require This Permit? Air curtain incinerators (ACIs) that burn only 100 percent wood waste, 100 percent clean lumber, and/or 100 percent mixture of wood waste, clean lumber and/or yard waste. Air curtain incinerators that burn only less than 35 tons per day of 100 percent wood waste, 100 percent clean lumber, 100 percent yard waste or 100 percent mixture of only the materials listed above collected from the general public and from residential, commercial, institutional, and industrial sources; **or** air curtain incinerators located at institutional facilities that burn only 100 percent wood waste, 100 percent clean lumber, 100 percent yard waste or 100 percent mixture of only the materials listed above generated at that facility. Facilities eligible for General Title V Air permits must meet certain conditions and emissions must be below thresholds established by rule.

What Is the Purpose of This Permit? To reduce adverse effects of industrial and other activities on air quality and to protect the health of the citizens of North Carolina.

Who Issues This Permit? N.C. Division of Air Quality (DAQ), Title V Permitting Section, Raleigh Central Office.

How Much Will This Permit Cost? Fees for General Title V Air Permits for ACIs burning only the clean biomass listed above are 10 percent of the otherwise applicable fee (i.e., \$998 for a permit application for a new General Title V facility).

A full list of current annual and application fees can be found at the following:
