Vacant, Office Assistant IV (Coastal Management)

INFORMATION TECHNOLOGY SERVICES

ITS, provides technology support services with networking and databases to ensure the greatest efficiency and customer service to North Carolinians.

CONTACT

Monty Griffin, Technology Support Specialist

DIVISION OF ENVIRONMENTAL ASSISTANCE & CUSTOMER SERVICES

Environmental Assistance provides support and outreach to customers and serves as the centralized source of DEQs programs at the regional office.

CONTACT

Lyn Hardison, Environmental Assistance & SEPA Coordinator

DIVISION OF WATER RESOURCES

Albemarle-Pamlico National Estuary Partnership (APNEP)

The mission of the APNEP is to identify, protect, and restore the resources of the Albemarle-Pamlico estuarine system. APNEP pursues this mission with guidance from its overarching Comprehensive Conservation & Management Plan (CCMP), the Management Conference (advisory bodies) and regional partners. APNEP is a cooperative effort currently hosted by the NCDEQ under a cooperative agreement with the US EPA. The Partnership also works closely with the Commonwealth of Virginia in implementation of the CCMP. The program area extends across most of the Albemarle-Pamlico watershed, including the Neuse, Tar-Pamlico, Pasquotank, Chowan, lower Roanoke, and parts of the White Oak River basins

CONTACT

Jimmy Johnson, Coastal Habitats Coordinator

DIVISION OF WATER RESOURCES

(Regional Operations Section)

The ROS has regulatory authority to ensure both groundwater and surface water quality are protected from adverse impacts resulting from various types of wastewater collection and disposal practices through comprehensive permitting, inspection and enforcement activities. Other programmatic areas that are essential to maintaining water quality are regulating groundwater well development, wetland protection and restoration, watershed protection, providing technical assistance to permit holders, participation in scientific studies and investigating all types of reported citizen concerns such as polluted groundwater and fish kills.

CONTACTS

David May, Regional Supervisor x3939
Robert Tankard, Assistant Regional Supervisor
Robert Bullock, WWTP Consultant
Allen Clark, Environmental Specialist
Anthony Scarbraugh, Environmental Senior Specialist
Chris Pullinger, Environmental Senior Specialist
Justin Davis, Environmental Specialist
Marlene Salyer, Environmental Senior Specialist
Megan Stilley, Environmental Specialist
Randy Sipe, Hydrogeologist
Sarah Toppen, Environmental Specialist
Scott Vinson, Environmental Engineer
Will Hart, Hydrogeologist
Garcy Ward, Environmental Senior Specialist (NCDOT)

DIVISION OF WATER RESOURCES

(Water Sciences Section)

The Estuarine Monitoring Team investigates reports of fish kills, algae blooms and other water quality problems and is in charge of water quality monitoring in the lower Pamlico, Neuse, Chowan, Roanoke, and Alligator Rivers and Albemarle & Pamlico Sound

CONTACTS

Jill Paxson, Environmental Senior Specialist x3898
Burt Simons, Environmental Senior Technician
Gary Davis, Environmental Senior Technician

DIVISION OF WATER RESOURCES

(Public Water Supply Section)

The PWS Section promotes public health by ensuring that safe, potable water is available in adequate quantities to the residents and visitors of North Carolina served by public water systems. This is accomplished through on-site water system inspections, technical assistance, plan specification reviews, complaint investigations, and training of consultants, operators, and owners.

CONTACTS

Dyk Luben, Environmental Reg. Engineer Supervisor
Jamie Midgette, Env. Eng., Assist. Supervisor
Madhu Chakravarthula, Environmental Engineer
Joey White, Environmental Specialist
Clif Whitfield, Environmental Engineer

DEPARTMENT OF PUBLIC SAFETY

(Division of Emergency Management)

Geodetic Survey Section establishes precise horizontal and vertical control throughout eastern N.C. for topographic and cadastral mapping, land use design, transportation planning, flood studies (FEMA requirements) and the platting of boundary surveys in accordance with NCGS 47-30.

CONTACTS

Ronnie Spivey, Regional Office Field Party Chief
Michael Arnold, Surveying Technician
Jason Starcher, Surveying Technician
