WRP Helps Clients Achieve Savings

Since 2000, Waste Reduction Partners' team of retired professionals has provided more than 214,000 hours of "pro bono" technical expertise. Recommendations translate to more than \$60.3 million in utility cost savings, 783 million gallons of water saved, 1.75 trillion BTUs reduced, and 231,000 tons of solid waste diverted from landfills.

WRP Services for 2013 - 2014

- **SOLID WASTE AND RECYCLING**
The WRP Solid Waste Team can help your organization improve recycling programs, identify markets for waste streams, and save money on waste disposal.
- **GREENING THE HOSPITALITY SECTOR**
If your business is in the hospitality or tourism sector, take advantage of a no-cost assessment designed to improve energy, water, solid waste and recycling practices.
- **RURAL ENERGY FOR AMERICA PROGRAM**
WRP engineers provide energy assessments for small businesses in rural NC through the REAP program. To find out more, visit the WRP website - www.wastereductionpartners.org.
- **STATE-SPONSORED ENERGY ASSESSMENTS**
A limited number of energy assessments are available for public, private, and non-profit organizations in North Carolina. WRP staff will provide a report with recommendations and a cost-benefit analysis.
