### Rule 24. Intervention

---

**(a) Intervention of Right.** On timely motion, the court must permit anyone to intervene who:

- (1) is given an unconditional right to intervene by a federal statute; or
- (2) claims an interest relating to the property or transaction that is the subject of the action, and is so situated that disposing of the action may as a practical matter impair or impede the movant's ability to protect its interest, unless existing parties adequately represent that interest.

**(b) Permissive Intervention.**

(1) *In General.* On timely motion, the court may permit anyone to intervene who:

- (A) is given a conditional right to intervene by a federal statute; or
- (B) has a claim or defense that shares with the main action a common question of law or fact.

(2) *By a Government Officer or Agency.* On timely motion, the court may permit a federal or state governmental officer or agency to intervene if a party's claim or defense is based on:

- (A) a statute or executive order administered by the officer or agency; or
- (B) any regulation, order, requirement, or agreement issued or made under the statute or executive order.

(3) *Delay or Prejudice.* In exercising its discretion, the court must consider whether the intervention will unduly delay or prejudice the adjudication of the original parties' rights.

**(c) Notice and Pleading Required.** A motion to intervene must be served on the parties as provided in Rule 5. The motion must state the grounds for intervention and be accompanied by a pleading that sets out the claim or defense for which intervention is sought.
