

GROUNDWATER & WASTE MANAGEMENT COMMITTEE

512 N. Salisbury Street
Archdale Building - Ground Floor Hearing Room
Raleigh, North Carolina

September 9, 2020
11:00 a.m.

The Groundwater & Waste Management Committee meeting audio and presentations will be broadcast via the state web conferencing link posted on the Environmental Management Commission (EMC) website at <https://deq.nc.gov/about/divisions/water-resources/water-resources-commissions/environmental-management-commission>

In the event the previously scheduled committee meeting adjourns prior to the estimated adjournment time, the other committee meeting may be called to order, by the Chairman, fifteen minutes after the previous meeting adjourned.

Yvonne Bailey, Chair, Presiding

I. Preliminary Matters

1. Call to Order

General Statute § 138A-15 mandates that the Chair inquire as to whether any member knows of any known conflict of interest or appearance of conflict with respect to matters before the Commission. If any member knows of a conflict of interest or appearance of a conflict, please so state at this time.

2. Approval of minutes from Groundwater and Waste Management Committee (GWWMC) meeting July 8, 2020 (attached).

II. Action Items

1. Request Approval of Proposed Rule Revisions and Regulatory Impact Analysis for 15A NCAC 13B Section .1700 “Requirements for Beneficial Use of Coal Combustion Products” to Proceed to the EMC for Public Comment (DWM) Ed Mussler

Explanation: The Division of Waste Management requests approval of proposed rule revisions and regulatory impact analysis for 15A NCAC 13B Section .1700 “Requirements for Beneficial Use of Coal Combustion Products” to proceed to the EMC for public comment. Rules .1701 - .1710 are proposed for re-adoption as a repeal pursuant to G.S. 150B-21.3A, since new structural fills are required to comply with the Coal Ash Management Act, and Rule .1713 is a new rule proposed for adoption to consolidate requirements from the existing rules that are still necessary for existing structural fills.

Recommendation: The Division requests that the GWWMC approve the proposed rule revisions and regulatory impact analysis for 15A NCAC 13B Section .1700 “Requirements for Beneficial Use of Coal Combustion Products” to proceed to the EMC for public comment.

POWERPOINT PRESENTATION

Attachment A - Proposed Rule Text
Attachment B - Regulatory Impact Analysis

2. Request Approval to Proceed to the EMC for Public Notice and Hearings on Amendments to 15A NCAC 02L .0202 Groundwater Quality Standards

(DWR) Bridget Shelton

Explanation: The Division of Water Resources is requesting approval from the GWWMC to proceed to the EMC to request public notice and hearings on proposed amendments to 15A NCAC 02L .0202 Groundwater Quality Standards. Information has been broken up into 3 parts in order to go over the proposed amendments in more detail. Part 1 and Part 2 were presented at the May 2020 and July 2020 GWWMC meetings, respectively. This presentation will begin by covering Part 3 and conclude with the proposed amendments to 15A NCAC 02L .0202 Groundwater Quality Standards and the recommendation from the Division. Proposed amendments include the incorporation of 44 existing IMACs, some with revisions, into the Groundwater Quality Standards; addition of a Groundwater Quality Standard for three compounds; addition of CAS Register Numbers for existing groundwater standards and proposed incorporated IMACs; and additional updates for clarification.

Recommendation: The Division recommends that the GWWMC approve the proposed amendments to 15A NCAC 02L .0202 Groundwater Quality Standards to proceed to the EMC for public notice and hearings.

POWERPOINT PRESENTATION

III. Closing Remarks

Chair Yvonne Bailey

Adjournment 9 September 2020
