Agenda Item: 18-68 Approval to Proceed to Public Notice for Public Comments on the Repeal of 15A NCAC 02T .1600 Groundwater Remediation Systems and Approval for the 30-Day Waiver to Meet Readoption Deadline of 15A NCAC 02C .0200 Rules

Explanation: The Division of Water Resources (DWR) seeks approval to proceed to Public Notice for comments on the repeal of 15A NCAC 02T .1600 Groundwater Remediation Systems. The requirements in these rules are currently being incorporated into the re-adopted 15A NCAC 02C .0200 rules. In order to meet the Readoption Deadline of the 15A NCAC 02C .0200 rules, a 30-Day waiver is required.

Recommendation: For the EMC to grant approval to proceed to public notice on the repeal of 15A NCAC 02T .1600 Groundwater Remediation Systems and to approve the 30-Day Waiver.
