

STANDARD DISCLAIMER:

Notice of Disclaimer: The North Carolina Department of Environmental Quality (NCDEQ) makes these documents available on an "as is" basis. All warranties and representations of any kind with regard to said documents are disclaimed, including the implied warranties of merchantability and fitness for a particular use. Under no circumstances will the NCDEQ, or any of its officers or employees be liable for any consequential, incidental, special or exemplary damages even if apprised of the likelihood of such damages occurring. The NCDEQ does not warrant the documents against deficiencies of any kind. The use of any of these documents for work which is under contract with the NCDEQ, does not relieve the contractor from any obligations assumed by the contract or from complete and proper fulfillment of the terms of the contract, nor does it entitle the contractor to compensation for damages or loss which could be attributed to such use.

USERS' ACCEPTANCE OF THESE TERMS:

The North Carolina Department of Environmental Quality (NCDEQ) makes GIS data (hereinafter, "Data") available without charge as a public service on the express condition that users who view, download, transfer or otherwise access or use the Data expressly agree to these Terms of Use. If you do not accept these terms, you may not view or otherwise use the Data for any purpose. These restrictions on use of the Data apply to you and to any transferee, vendee or other end user of yours (collectively, "users"). If you transfer to, or use the Data in connection with, any such end user in a format or context revealing the NCDEQ as the source of the Data, you agree to inform such user(s), by copy of these Terms of Use or otherwise, that the NCDEQ does not warrant the Data in any way and makes each of the disclaimers set forth herein.

DATA WARRANTY and ACCURACY DISCLAIMER:

All North Carolina Department of Environmental Quality (NCDEQ) GIS data is expressly provided "AS IS" and "WITH ALL FAULTS". The NCDEQ makes no warranty of any kind, express or implied, concerning this information, including but not limited to any warranties of merchantability or fitness for any particular purpose. The NCDEQ assumes no responsibility or legal liability concerning the Data's accuracy, reliability, completeness, timeliness, or usefulness. The Data is not intended to constitute advice nor is it to be used as a substitute for specific advice from a professional. Users should not act (or refrain from acting) based upon information in the Data without independently verifying the information and obtaining any necessary professional advice. Users are solely responsible for ensuring the accuracy, currency and other qualities of any products derived from or in connection with the NCDEQ's Data. The Data is collected from various sources and may be modified over time without notice to improve spatial and attribute accuracy. The NCDEQ disclaims responsibility for the spatial accuracy and attribution of GIS features, and makes no warranty concerning same.

LIABILITY DISCLAIMER:

The North Carolina Department of Environmental Quality (NCDEQ) disclaims any responsibility or legal liability to users for damages of any kind, including lost profits, lost savings or any other incidental or consequential damages relating to the providing of the Data or the use of it. The NCDEQ expressly disclaims any responsibility to defend or indemnify users against claims of others based on users' copying, distribution, or other use of any of the Data. Users assume the risk of using this Data and shall have no remedy at law or equity against the NCDEQ in case the Data provided is inaccurate, incomplete or otherwise defective in any way.

NO AUTHORITY TO ACT AS NORTH CAROLINA DEPARTMENT OF ENVIRONMENTAL QUALITY:

Users are not authorized by the North Carolina Department of Environmental Quality (NCDEQ) to combine this Data with other data with the intent or effect of representing a NCDEQ business function such as, but not limited to, matters relating to land development, permitting, or flood hazard evaluation. When using this Data, a user has no authority to represent its products or services as though user were a NCDEQ agent or office. Maps or applications using this Data may not include the NCDEQ logo, or any text or other content suggesting they are a direct product of the NCDEQ.

BOUNDARY DISCLAIMER:

The designations employed and the presentation of the material on this map do not imply the expression of any opinion whatsoever on the part of the North Carolina Department of Environmental Quality (NCDEQ) or contributory organizations and institutes concerning the legal status of any state, city, county or area, or its authorities, or concerning the delimitation of its boundaries.

DATA CURRENCY:

This Data may be updated at irregular intervals. All users should check for updates regularly and ensure the most current version of the Data is being used.

TERMINATION OF DATA AVAILABILITY:

The North Carolina Department of Environmental Quality (NCDEQ) reserves the right to modify the Data in any way or discontinue providing any or all of the Data at any time without notice, and is not liable for any modification, suspension, or discontinuation of access to the Data. Additionally, the NCDEQ may require the termination of any and all display, distribution, or other use of any or all of the Data for any reason including, without limitation, the violation of any provision of these Terms of Use.

RELIABILITY OF THIS SITE (hosted solution):

The North Carolina Department of Environmental Quality (NCDEQ) does not maintain and is not responsible for the performance or reliability of this third-party website. The vendor (Esri) may change the functionality or temporarily suspend the site for maintenance without notice. Performance and reliability are solely the responsibility of the vendor.
