

Sewer Extension Permit Status Update

Permit No.: _____ Permittee: _____

Project Name: _____

For multiple permits with the same status, please attach a supplementary page indicating all permit numbers and project names of the permits being addressed by this form.

Please complete the applicable remaining portion of this form and return to the Division at:

**NCDEQ/DWR
WQPS – PERCS UNIT**

By U.S. Postal Service:
1617 Mail Service Center
Raleigh, NC 27699-1617

By Courier/Special Delivery:
512 N. Salisbury St. Suite 925
Raleigh, NC 27604

By Email:
Nyle.Hothem@ncdenr.gov

Permit Shall Remain Open

We certify that the subject permit(s) has not yet been constructed but shall be constructed in the future in conformity with the approved project plans, specifications, and supporting documents

OR that this project is currently under construction but is not yet in operation.

We understand that the appropriate certification documents must be forwarded to the Division prior to operation.

Please maintain the subject permit(s) in active status.

Permit Rescission Request

We request that the subject permit(s) be rescinded and certify that the permitted sewer(s) have not been and shall not be constructed nor made operational. We understand that, in the future, should we wish to operate a non-discharge sewer system, we shall apply for and receive a new Wastewater Collection System Permit.
