North Carolina Division of Water Infrastructure

Project Applicant: Town of Biltmore Forest
Date: August 6, 2020
Project Number: CS370842-01
Estimated Project Cost: \$391,287
Estimated Funding Amount: \$383,615

Project Description: The proposed project consists of streambank restoration of approximately 390 linear feet of a first-order unnamed tributary (tributary to Fourmile Branch) to include the removal of 570 linear feet of existing wire gabion baskets, reforestation of 15,000 square feet of riparian corridor, and installation of 1,100 square feet of infiltration BMPs.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Anita E Robertson

Anita E. Robertson, PE, Supervisor
Wastewater Projects Unit
