

## Categorical Exclusion

### North Carolina Division of Water Infrastructure

Project Applicant: City of Brevard  
Date: June 23, 2020  
Project Number: CS370476-09  
Estimated Project Cost: \$2,433,618  
Estimated Funding Amount: \$2,385,900

**Project Description:** The proposed project will make the following improvements to the City's sewer collection system in the Gallimore Road sewershed: rehabilitation of approximately 3,550 LF of 8-inch gravity sewer, 4,500 LF of 12-inch gravity sewer, and 50 manholes; reconnection of 95 services; and replacement of 2,400 LF of 8-inch gravity, 13 manholes, and 34 services.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Anita E. Robertson, PE, Supervisor  
Wastewater Projects Unit  
Division of Water Infrastructure
