North Carolina Division of Water Infrastructure

Project Applicant: Town of Haw River
Date: February 25, 2015
Project Number: CS370573-02, -03, -04
Estimated Project Cost: \$1,025,325
Estimated Funding Amount: \$1,005,215

Project Description: The proposed project will rehabilitate existing sanitary sewer lines at several locations within the Town to address infiltration, inflow, backups, and root intrusion. The project includes the rehabilitation of gravity sewer by cured in place pipe lining and pipe bursting, and rehabilitation of manholes by lining. The combined three phases of the project will rehabilitate approximately 8,056 linear feet (lf) of 8-inch and 2,045 lf of 10-inch gravity sewer, expand approximately 951 lf of 6-inch gravity sewer to 8-inch gravity sewer via pipe bursting, and rehabilitate 44 manholes.

The above named applicant will receive funding assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWI has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<http://portal.ncdenr.org/web/wi/fonsi-dmca-ce>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Seth Robertson, P.E., Chief
State Revolving Fund Section
Division of Water Infrastructure
