

Categorical Exclusion

North Carolina Division of Water Infrastructure

Project Applicant: Johnston County
Date: October 13, 2015
Project Number: CS370560-14
Estimated Project Cost: \$828,122
Estimated Funding Amount: \$812,080

Project Description: The proposed project will address defects in the County's main sewer interceptors leading to the wastewater treatment plant in Smithfield. The project include CCTV and inspection of approximately 34,500 linear feet of existing gravity sewer interceptor (includes Wilson Street, Buffalo Road, and Neuse River Interceptors) and rehabilitation (using CIPP) of approximately 3,600 linear feet of 12-inch through 30-inch existing gravity sewer, rehabilitation of associated manholes, and several point repairs.

The above named applicant will receive funding assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<http://portal.ncdenr.org/web/wi/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Seth Robertson, P.E., Chief
State Revolving Fund Section
Division of Water Infrastructure
